1. Vendor Violation or Breach of Contract Terms:

Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

2. Termination for Cause or Convenience:

Termination for Cause: TCCC may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide TCCC, upon request, with adequate assurances of future performance. TCCC shall provide the Contractor with a written notice thirty (30) days prior to the contract termination date. In the event of termination for cause, TCCC shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to TCCC for any and all rights and remedies provided by law. If it is determined that the TCCC improperly terminated this contract for default, such termination shall be deemed a termination for convenience. The Contractor may also terminate this contract under the same set of aforementioned conditions. Termination for Convenience: TCCC may terminate this contract for any reason, provided that the Contractor is provided with a prior sixty (60) days' written notice of the effective date of such termination (the "Termination for Convenience Date").
