- Recommended but optional: Hepatitis A, COVID, and flu vaccinations
- Cincinnati Country Day School complies with Section 3313.671 of the Ohio Revised Code, requiring that students be immunized to attend school. At the time of initial entry or at the beginning of each school year, no student shall be permitted to remain in school for more than 14 days without written evidence that the student has been immunized by a method approved by the Ohio Department of Health pursuant to section 3701.13 of the Revised Code.
- Please note that vaccinations required to be received on or after the 1st birthday are given a 14-day grace period to schedule and complete the immunization in compliance with school requirements.
- Please contact the Ohio Department of Health Immunization Program at (800) 282-0546 or (614) 466-4643 with any questions or concerns.
