Dear Parents,

Your child's class assignment will be mailed out the week of July 20. It will take the post office a week or so to deliver these to you. Please make sure you enter the correct address in PowerSchool when you register your child. If you do not enter accurate information then you may not get your child's class assignment in the mail. Your registration must be completed and approved in order for your child to be assigned to a class. Submitted and completed is not the same as approved. Due to the time frame for statement of resident registration your child may receive their class assignment at a later date.

Parent orientation is Tuesday, August 4, at 5:30 p.m. This meeting will be held at Howell Graves Preschool in your child's classroom. Please remember children are not to attend this meeting.

You and your child will need to attend "Meet the Teacher Day" on Tuesday, August 4, anytime between 10:00-10:30 a.m. During this time, your child's teacher will introduce themselves to the students. We hope this will help your child's school year run smoother.

Thank you,

Howell Graves Faculty and Staff
