

Eagle News

Good afternoon Eagle Families,

As we head into Spring Break, I just want to take a moment to say how proud we are of our Eagles and the work they've put in over these past few weeks. From the classroom to the playground, we continue to see what it looks like to stay Anchored in Excellence—and it shows.

Next week, there will be no school as we take time for Spring Break and the Easter weekend. This is a great opportunity for our students (and families) to rest, recharge, and enjoy some well-earned time together. Whether that means getting outside, spending time with family, or just slowing things down a bit—we hope it's exactly what you need.

Before we go, just a quick reminder—keep those great habits going. A little reading each day, a little fresh air, and a lot of family time goes a long way. We'll be excited to welcome everyone back after the break, refreshed and ready to finish the year strong.

Have a wonderful Spring Break and a Happy Easter.
