

SUMMER 2026 COMMUNITY EDUCATION

SPORTS, PE GAMES, ACTIVITIES

This program will provide a combination of both planned and optional activities to give our youth exposure to a variety of team and individual games, sports and fun activities. Enthusiastic and NYS certified teachers provide fun and appropriate instruction and supervision. After learning and practicing the fundamental skills, participants will enjoy a wide variety of teambuilding activities, challenges, mini tournaments and competitions. Each camp will differ in its organization, activities and games based on the group of participants and the discretion of the instructors.
