About 285 band students in Grades 6-12 from Carl Ben Eielson Middle School and South High School are bringing The Great White Way to South High School as they perform Broadway classics at the Southside Band Concert.

Bands from each level from middle school to high school will perform separately before coming together for a grand finale joint performance. The bands will take audience members on a journey through musical theater history as they perform classic standards and modern hits from *The Music Man*, *West Side Story*, *The Sound of Music*, *The Phantom of the Opera*, *The Lion King*, *Aladdin*, *Jersey Boys*, *Mamma Mia!*, *Wicked* and more.

The Southside Band Concert gives the student musicians the opportunity to grow by interacting with peers of different skill levels and gain inspiration from the experience of performing in the same venue. And the audience will witness the growth of musicians from beginning as middle schoolers through more advanced high schoolers while enjoying Broadway favorites.
