### Student Council

Student Council has been busy bees bringing positive energy around SBAC testing. They've painted signs, made posters, and scripted and created a fantastic SBAC hype video. All to encourage their peers to ROCK that TEST and Do their BEST!

Their fundraising efforts have allowed them to contribute \$250 towards the SBAC incentives on top of the pizza donation for the "Mario Brothers" movie night.

StuCo is looking forward to helping make the Spring Carnival photo booth and stocking the carnival games throughout the evening.

### A Note From Your Principal:

Greetings Roadrunner Families,

We are in assessment season, and our 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> graders will be taking the SBAC beginning this week. On Friday, we held an SBAC Assembly to remind students how important their effort and behavior are during the test. We also showed the students what incentives they can earn for attendance and effort on the SBAC. Thanks to those of you who donated to help us motivate our students. Custom jerseys, Beats headphones, gift cards, and many more prizes are all options students can enter themselves into to win. We ended the day with PK-2 students cheering on our 3<sup>rd</sup>-5<sup>th</sup> graders at the SBAC Parade. SBAC results will come in over the summer, and that data will be one of the most important factors of our star rating on the NV Report Card. We are very hopeful and confident that we'll be leveling up to at least 2 stars, and I wouldn't be surprised if we far surpass that goal, as our teachers and students have been working so hard all year. Soon, K-5 students will also be taking the MAP assessment. With MAP, we'll have an idea of how much students have grown in their learning this year. Thanks for your support in getting students here to school each day and communicating with teachers.

At Aggie Roberts, we work hard, but we play hard too! Our Spring Carnival is this week. As usual, we'll have the best face painters (SECTA Cosmetology students), many games, and, of course, the In-N-Out truck for those who pre-ordered tickets. You can still purchase game tickets at the gate, and there will be other food for sale. Thanks for your support, as this is the last of our three major fundraisers. We use funds raised for things like SBAC incentives, staff appreciation, and other student incentives to keep everyone motivated to finish the year strong! There's so much more fun to squeeze in this year! We hope to see you at some or all of our remaining events!

## Staff Spotlight

**Name:** Beth Reeves

**Position at Roberts:** SPTA Floater

**Hometown:** Anaheim, CA

**Favorite Food:** Sushi or pad thai

**What's the best part about being a Roadrunner?** The best part is getting to work with my husband again, but also the feeling of being part of a work culture that doesn't just treat you like a co-worker but as a valued friend.

**Fun Fact:** I grew up baking and taught myself how to bake and convert old family recipes to be gluten-free after I was diagnosed with a gluten allergy.

**Our Boys Town skill of the month is Accepting Criticism or a Consequence.**

**We do this by teaching these steps:**

1. Look at the person.
2. Say, "Okay."
3. Stay calm.

## Very Important Parent Partner

The V.I.P.P. for March was Mr. and Mrs. Telford, who were nominated by Ms. Gold, but also have students in 3<sup>rd</sup> grade and PreK at our school! They are very supportive and active Roadrunners. The Telfords are often seen at many of our after-school events. They also donated their time to speak with Mrs. Gold's class during NV Reading and Career Week! Congrats and thank you for your partnership!
