

## Sacred Heart School Bellevue, WA

JobID: 10649

### Our Mission

Sacred Heart School is a Catholic community of faith, service, and academic excellence.

### Our Vision

Sacred Heart School is committed to providing an excellent academic education in a welcoming environment of faith and virtue. We accomplish this by building an active partnership between our families, school, and parish. Graduates of Sacred Heart School are servant leaders who are well prepared to embrace the life that God calls them to live.

### The Position

Sacred Heart School is seeking a math teacher to join our middle school team. This teacher will be part of a collaborative team with our other middle school math teachers as well as the larger middle school faculty.

The ideal candidate will be an actively-practicing, faith-filled Catholic who possess a Washington State teaching certification and has three or more years of teaching experience in math and/or a degree in math/math education. Applicants should be interested in working collaboratively as part of team, a creative thinker, able to differentiate instruction, and enthusiastic about working with middle school students. **Experience working with students who need significant math support or who are diagnosed with dyscalculia is a plus!**

Salary: The salary range for this position is from \$62,000-\$105,000. Any offered salary is determined based on internal equity, internal salary ranges, market data, applicant's skills and prior relevant experience, degrees, and certifications.

Benefits: A comprehensive package of benefits is offered including two medical plan options, dental, vision, life, accidental death and disability, long term disability, pension, 403(b), HSA, FSA, and generous sick leave, vacation, and holidays. For teachers in the first 5 years of their careers, we offer the opportunity
