Dismissal Procedure Change

We are making some changes to our dismissal procedures. If your student's afterschool plans are to walk to McGraw, they may only go into the school if a parent is employed as McGraw staff. If no parent is employed at McGraw, the student must meet their parent/guardian at the playground. Please note that parents or guardians are responsible for supervising their child once they meet on the playground. Please reach out to the WB Office if you have any questions.

Tree Tapping

This past week Mr. Plaisted's classes have been spending time tapping trees to be able to make some maple syrup!

Lost and Found 🧤

Our lost and found is overflowing!

Please remind your student to check for any missing belongings as soon as possible. All unclaimed items will be donated over April break.

When to Keep Your Child Home for Illness

Allowing your child to rest at home when they are ill will help shorten the length of illness and prevent the spread of illness within the school. Keep your child home for the following conditions:

- Vomiting: Stay home until vomiting has stopped for 24 hours.
 - Diarrhea: Stay home until diarrhea has stopped for 24 hours.
 - Fever: Stay home until the fever has resolved for 24 hours without the use of fever-reducing medicine, such as Acetaminophen or Ibuprofen.
 - Diagnosed with an illness, stay home until 12 hours on antibiotics or return to school with a doctor's note.
-

Chess Club

The in-house bughouse tournament was a success! Thank you for sending your chess players on time.

This tournament continues over a few more sessions. If your chess players missed the first tournament day and still want to be part of it, please send them. We will figure out the way to include everyone.

If your chess player would like to play a regular game of chess, I will make an arrangement as well.
