

WCS 2-Week Packing List

As a rule of thumb, we recommend packing so that all clothing fits inside one trunk and one duffel. Part of our work with students is helping them keep their space tidy, and overpacking can make that a challenging task.

Clothing

- Sweaters/sweatshirts (2-3)
- Sweatpants/joggers (2-3)
- T-shirts (8)
- Tank Tops (5)
- Shorts (4)
- Jeans (1 - optional for trips)
- Bathing suits (2)
- Sneakers, flip flops
- Light hiking boots (optional)
- Socks and underwear
- Raincoat
- Hat
- Sunglasses

Students should have enough clothing for a week. See laundry details below.

Note that because of the summer activities, students may go through 2-3 outfits a day.

Clothing items should be suitable for trunk or shelf storage.
