

Clark County School District

Antonello, Lee ES

2025-2026 School Improvement Plan

Classification: 3 Star School

Title I, ATSI

Mission Statement

Our mission is to empower our staff through comprehensive training in diverse strategies that enhance student achievement. We are committed to fostering an environment where every student can thrive and reach their full potential.

Vision

Lee Antonello students will achieve one year's growth in all academic areas.

Demographics & Performance Information

Nevada Report Card

In compliance with federal and state law, Nevada's K-12 Accountability Portal provides detailed information about each school's student and staff demographics and school performance rating, a star-rating system based on the Nevada School Performance Framework (NSPF). You can find our School Rating Report at https://nevadareportcard.nv.gov/DI/nv/clark/lee_antonello_elementary_school/nspf/

Comprehensive Needs Assessment

Student Success

Student Success Areas of Strength

According to the Spring 2024-2025 MAP Math Growth data, all grade levels demonstrated student growth of 4 points or more. SBAC Math Assessment, showed an increase of proficient students in grade 4.

Student Success Areas for Growth

According to MAP ELA Growth Spring 2024-2025 data, 57% of students are at/below the 61st percentile in reading. According to the 2024-2025 SBAC data, 60.1% of students in grades 3-5 are below proficiency.

Student Success Equity Resource Supports

Student Group	Challenge	Solution
English Learners	<ul style="list-style-type: none"> • There is a 20% achievement gap between the [Non-EL] students and ELS in math, and a 19% achievement gap between the [Non-EL] and ELS in reading, per FocusED MAP data on 7/21/25. • Due to language barriers and/or a lack of discourse opportunities, ELS students struggle with foundational literacy skills and/or have limited opportunities to practice and improve their language skills. • Due to the volume of English words and the nuances of their meanings, ELS are struggling with understanding complex texts, including idioms, figurative language, and different text structures. • English learners face academic challenges as they continue to develop proficiency in the English language. 	<ul style="list-style-type: none"> • The learning strategist will continue to implement a Reading Center, connecting language acquisition with literacy through daily instruction using the Science of Reading LETRS strategies. LETRS will address phonics, fluency, vocabulary, reading comprehension, and language development. • ELL mentorship and individual teachers support professional learning opportunities. • ULD professional learning opportunities. • To increase student discourse, the administration will provide professional development to support teachers using universal language development strategies during Tier 1 instruction.

Student Group	Challenge	Solution
Foster/Homeless	<ul style="list-style-type: none"> • There is currently no identifiable achievement gap between Foster/Homeless and non-Foster/Homeless students. • There are 2.6% students who are homeless or doubled up. • Disruptions in housing can negatively affect academic achievement and/or attendance rates. • Students face challenges related to the hierarchy of basic needs (e.g., housing instability, food insecurity), which can affect their ability to fully engage in academic learning. • Students require social-emotional support, which, while essential, can reduce available time for academic instruction. • Absenteeism, often linked to circumstances such as foster care placement or homelessness, results in students missing critical instructional time. • Due to frequent absences and other factors, some students are performing below grade level as a result of missed instruction. 	<ul style="list-style-type: none"> • The school counselor and the Safe Schools Professional will provide services to increase student attendance and deliver targeted, evidence-based programs. • The school counselor and the Safe Schools Professional will coordinate ongoing services and support to monitor students' attendance, behavior, academic, and social/emotional progress.
Free and Reduced Lunch	<ul style="list-style-type: none"> • There is currently no identifiable achievement gap between FRL and not FRL students. • Students who receive free or reduced-price meals may feel stigmatized, leading to embarrassment or reluctance to participate, which can negatively impact their social and emotional well-being, as well as their academic achievement. • Students face challenges related to the hierarchy of basic needs (e.g., housing instability, food insecurity), which can affect their ability to fully engage in academic 	<ul style="list-style-type: none"> • Title 1 funds purchased two teachers and partially funded a teacher to reduce classroom sizes. • We are utilizing Certified Temporary Tutors (CTTs) to provide Tier 2/3 intervention and acceleration instruction in the Reading Center.
Migrant/Title1-C Eligible	N/A	N/A

Student Group	Challenge	Solution
Racial/Ethnic Minorities	<ul style="list-style-type: none"> • There is a 46% achievement gap between Caucasians and Racial/Ethnic Minorities in math, and a 37% achievement gap between Caucasians and Racial/Ethnic Minorities in reading. • Students feel the environment is not inclusive and/or that their cultural differences are not valued or recognized. • Data indicates that students from certain racial and ethnic groups are experiencing academic performance gaps. These disparities highlight the need for culturally responsive practices, targeted supports, and equitable access to high-quality instruction. 	<ul style="list-style-type: none"> • The learning strategist will implement a Reading Center to connect language acquisition with literacy through daily instruction through the Science of Reading LETRS strategies. LETRS will address phonics, fluency, vocabulary, reading comprehension, and language development. • The school counselor, Behavior Strategist, and Safe Schools Professional will coordinate ongoing services and support to monitor students' attendance, behavior, academic, and social/emotional progress.
Students with IEPs	<ul style="list-style-type: none"> • There is a 45% achievement gap between Non-Students and Students with IEPs in math, and an 40% achievement gap between [student group] and Students with IEPs in reading. • Due to the need for individualized support, students may have gaps in foundational knowledge. • Students receiving special education services may experience academic challenges related to their identified learning needs, which require individualized supports and interventions to ensure access to grade-level content. 	<ul style="list-style-type: none"> • Co-teaching opportunities will be provided in the least restrictive environment to ensure students receive grade-level instruction with the appropriate accommodations and modifications. • Special Education teachers will participate in grade-level Professional Learning Community (PLC) meetings to analyze data, determine students' needs, and plan effective instruction and support.

Problem Statements Identifying Student Success Needs

Problem Statement 1 (Prioritized): According to the spring 2024-2025 SBAC assessment, grades 3-5, 31.8% of students are proficient in math, and 39.1% are proficient in reading.

Critical Root Cause: They are varying Tier 1 instructional practices. New curriculum in reading, writing, and foundational reading skills. Staff turnover and changing needs for educator support.

Problem Statement 2 (Prioritized): AB 335: As evidenced by MAP Growth data, the problem is ELs are performing below other identified student groups at our school.

Critical Root Cause: AB 335: The low performance of ELs in language proficiency and content achievement is due to limited access to academic discourse.

Adult Learning Culture

Adult Learning Culture Areas of Strength

According to MAP Growth Spring 2024-2025 data 40% of students were projected to be proficient on the SBAC Reading assessment.

Adult Learning Culture Areas for Growth

According to MAP Growth Spring 2024- 2025 data, 49% of students achieved at or below the 40th percentile in reading.

Adult Learning Culture Equity Resource Supports

Student Group	Challenge	Solution
English Learners	Low performance and accessibility.	<ul style="list-style-type: none">• The learning strategist will continue implementing a Reading Center to connect language acquisition with literacy through daily instruction through the Science of Reading LETRS strategies. Problem Statements Identifying Connectedness Needs

Problem Statement 1 (Prioritized): 25.1% of students at Lee Antonello are chronically absent.

Critical Root Cause: Lack of parent involvement and commitment to students' academic success.

Priority Problem Statements

Problem Statement 1: According to the spring 2024-2025 SBAC assessment, grades 3-5, 31.8% of students are proficient in math, and 39.1% are proficient in reading.

Critical Root Cause 1: They are varying Tier 1 instructional practices. New curriculum in reading, writing, and foundational reading skills. Staff turnover and changing needs for educator support.

Problem Statement 1 Areas: Student Success

Problem Statement 2: Fifty-five percent of Kindergarten and 1st-grade students are below the 61st percentile in Foundational Skills.

Critical Root Cause 2: The 95 Percent Phonics curriculum is in its 3rd year of implementation. Teachers are improving their knowledge of The Science of Reading and have varying degrees of word study knowledge for Tier 1 Instructional practices.

Problem Statement 2 Areas: Adult Learning Culture

Problem Statement 3: 25.1% of students at Lee Antonello are chronically absent.

Critical Root Cause 3: Lack of parent involvement and commitment to students' academic success.

Problem Statement 3 Areas: Connectedness

Problem Statement 4: AB 335: As evidenced by MAP Growth data, the problem is ELs are performing below other identified student groups at our school.

Critical Root Cause 4: AB 335: The low performance of ELs in language proficiency and content achievement is due to limited access to academic discourse.

Problem Statement 4 Areas: Student Success

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Student Success

- End-of-Unit Assessments
- Grades
- Local benchmark, common assessments, diagnostic assessments, or interim assessments data
- MAP Growth Assessment
- Tier I Instructional Materials Assessments
- WIDA ACCESS for ELLs
- WIDA Screener

Adult Learning Culture

- Lesson Plans
- Master schedule
- Processes and procedures for teaching and learning, including program implementation
- Professional Development Agendas
- Professional learning communities (PLC) data/agenda/notes
- Teacher evaluation
- Teacher retention
- Teacher/Student Ratio
- Walk-through data

Connectedness

- Attendance
- Behavior
- Community surveys and/or other feedback
- Home Visits
- PBIS/MTSS data
- Perception/survey data
- School safety data
- Social Emotional Learning Data

Inquiry Areas

Inquiry Area 1: Student Success

SMART Goal 1: Math

A baseline measurement will be taken after the Fall 2025-2026 MAP Assessment. Decrease the percentage of students scoring at or below the 40th percentile on the MAP Growth Math Assessment from spring 2024-2025 to 25% by spring 2025-2026. Adjust this goal based on current kindergarten data during Act 2.

1st Grade

Decrease the percentage of 1st grade students scoring below 61st percentile in Math from 21% in spring of 2025 to 19% in winter 2025 to 17% in spring 2026, as measured by MAP Growth Assessments. This goal is based on the performance of students transitioning from Kindergarten to the 1st grade.

1st grade Data Goal based on Kindergarten spring 2025 MAP Growth Math Assessment Performance, 13 out of 63, (21%) scored below the 60th percentile in math.

2nd Grade

Decrease the percentage of 2nd grade students scoring below the 61st percentile in Math from 53% in the spring of 2025 to 48.6% or 3 students in the winter of 2025, to 44% or a total of 6 students in the spring of 2026, as measured by MAP(r) Growth Assessments. This goal is based on the performance of students transitioning from 1st Grade to the 2nd grade.

2nd Grade Data Goals Based on Previous 1st Grade Performance

2nd grade data goal based on 1st Grade spring 2025 MAP Growth Math Assessment Performance, 37 out of 70, or 53%, scored below the 60th percentile in math.

3rd Grade

Decrease the percentage of 3rd grade students scoring below the 61st percentile in Math from 55% in the spring of 2025 to 48% or 2 students in the winter of 2025, to 43% or a total of 4 students in the spring of 2026, as measured by MAP Growth Assessments. This goal is based on the performance of students transitioning from 2nd Grade to the 3rd grade.

3rd Grade Data Goals Based on Previous 2nd Grade Performance

According to 2nd Grade Performance Data Spring 2025 MAP Growth Math Assessment, 34 out of 62, 55% scored below the 60th percentile.

4th Grade

Decrease the percentage of 4th grade students scoring below the 61st percentile in Math from 73% in the spring of 2025 to 55% or 3 students in the winter of 2025, to 52% or a total of 6 students in the spring of 2026, as measured by MAP Growth Assessments. This goal is based on the performance of students transitioning from 3rd Grade to the 4th grade.

According to the 3rd Grade Performance Data Spring 2025 MAP Growth Math Assessment, 58 out of 79, 73% of third-grade students scored below the 60th percentile in math.

5th Grade:
Decrease the percentage of 5th grade students scoring below the 61st percentile in Math from 44% in the spring of 2025 to 41% or 2 students in the winter of 2025, to 39% or a total of 4 students in the spring of 2026, as measured by MAP Growth Assessments. This goal is based on the performance of students transitioning from 4th Grade to the 5th grade.

According to the 4th Grade Performance Data, Spring 2026 MAP Growth Math Assessment, 35 out of 79 fourth-grade students 44% scored below the 60th percentile in math.

Aligns with District Goal

1	Map PD timeline around key calendar dates--PD days, grade-level planning, roll-out phases.	Admin and RBG3 Literacy Coach	June and July 2025			
2	Audit the current instruction to pinpoint gaps in lesson delivery or pacing	Admin and RBG3 Literacy Coach	ongoing			
3	Work with the 95 Phonics rep to select focus areas, such as whole-class modeling, guided practice, and manipulative use	Admin, RBG3 Coach and Representative	Aug - Jan			
4	Develop a PD agenda in collaboration, covering: Overview of Core Program (30 min/ day, 25-30 lessons K-5) Explicit modeling techniques & structured literacy routines Interactive use of teacher scripts and student workbooks	Admin, RBG3 and representative	Aug - Jan			
5	Plan embedded coaching cycles, including demonstration lessons, teacher practice, and peer-led feedback.	Admin, RBG3	Ongoing			
6	Implement coaching cycles: Teachers teach lessons; the coach/rep observes using the fidelity rubric. Provide timely, precise feedback focusing on explicit instruction delivery and gradual release methods.	Admin, RBG3	Ongoing			
7	Host PLC check-ins biweekly: Share wins, record challenges (e.g., pacing, scripting), and collaboratively troubleshoot.	Admin, RGB3	ongoing			
8	Collect, analyze, and monitor implementation data: Log observation results and lesson fidelity scores using the adjusted look for tool.	Admin, RBG3	ongoing			
Position Responsible: Admin Team Resources Needed: PLC time CCSD planning and pacing documents Master Calendar Support from a representative Schoolwide and Targeted Assistance Title I Elements: 2.4, 2.5, 2.6, 4.1, 4.2 Evidence Level Level 2: Moderate: PLC Problem Statements/Critical Root Cause: Adult Learning Culture 1						

SMART Goal 1 Problem Statements:

Adult Learning Culture
Problem Statement 1: Fifty-five percent of Kindergarten and 1st-grade students are below the 61st percentile in Foundational Skills. Critical Root Cause: The 95 Percent Phonics curriculum is in its 3rd year of implementation. Teachers are improving their knowledge of The Science of Reading and have varying degrees of word study knowledge for Tier 1 Instructional practices.

Inquiry Area 3: Connectedness

SMART Goal 1: According to Focus Ed, chronic absenteeism for the 2024-2025 school year is at 25.1%. The school's goal is to decrease the number of chronically absent students, resulting in a 3% decrease in the schoolwide chronic absenteeism rate by the end of the 2025-2026 school year.

Aligns with District Goal

Formative Measures: Daily check-in and overall monthly attendance using FocusEd, IC, and school-wide data sheet.

Improvement Strategy 1 Details				Reviews		
Improvement Strategy 1: Strengthen our student monitoring process for the students who are approaching trending (greater than 5% absences)				Status Check		EOY Reflection

Action #	Actions for Implementation	Person(s) Responsible	Timeline			
1	Identify students from the 24-25 SY who were chronically absent.	Assistant Principal Behavior Strategist	July 2025 - Aug 2025			
2	Based on results from 24-25 SY data, create a daily check-in attendance sheet.	Assistant Principal Behavior Strategist	July 2025 - Aug 2025			
3	According to the students identified, we will meet with students and explain the program, expectations, and send home a parent permission slip.	Assistant Principal Behavior Strategist	Ongoing during the 2025-2026 school year.			
4	Monitor student progress daily.	Assistant Principal Behavior Strategist Office Staff	Ongoing during the 2025-2026 school year.			
5	Monitor in IC and focused on identifying new students as needed. Repeat step 3	Assistant Principal Behavior Strategist	Ongoing during the 2025-2026 school year.			
6	Identify students who are trending and contact parents.	Assistant Principal Behavior Strategist	Ongoing during the 2025-2026 school year.			
7	If students become chronically absent, we will request RPC without the removal of the student and discuss educational neglect and retention paperwork.	Assistant Principal	Ongoing during the 2025-2026 school year.			
Position Responsible: Leadership team Resources Needed: Run reports to create data tracking sheets. Incentives for students Professional development for teachers Consistent data review for absenteeism trends School Leadership team to support students and families with attendance and support strategies Schoolwide and Targeted Assistance Title I Elements: 2.4, 2.5, 2.6, 4.1, 4.2 Evidence Level Level 3: Promising: Creating a positive school climate and culture Level 4: Demonstrate Rationale: Harmony Problem Statements/Critical Root Cause: Connectedness 1

SMART Goal 1 Problem Statements:

Connectedness
Problem Statement 1: 25.1% of students at Lee Antonello are chronically absent. Critical Root Cause: Lack of parent involvement and commitment to students' academic success.

Schoolwide and Targeted Assistance Title I Elements

1.1: Comprehensive Needs Assessment

Please see the Comprehensive Needs Assessment detailed in this school performance plan.

2.1: School Performance Plan (SPP) developed with appropriate stakeholders

Please see the Continuous Improvement Team table included in this plan.

2.2: Regular monitoring and revision

During Act 2 (September-October and January -February): Navigating Our Course, CI teams will monitor progress toward achieving goals by engaging in the Now, Next, Need question protocol as data is analyzed and plan implementation is reflected upon. Real-time adjustments will be made, as needed, to ensure the plan results in the intended improvements. The outcomes of this analysis will be documented in the Status Checks section of this plan and posted on school websites to serve as a communication tool with the school community.

2.3: Available to parents and community in an understandable format and language

Per Nevada Revised Statutes (NRS).388G, school plans must be posted on both the District and school websites. Upon approval, the School Performance Plan (SPP: Roadmap) is posted following each Act in the Continuous Improvement Process. With 111 languages in our district, translation services are available upon request.

2.4: Opportunities for all children to meet State standards

An adopted curriculum aligned with state standards in English language arts, mathematics, science, and social studies, including differentiated scaffolds and supports, is used. District wide Multi-tiered Systems of Support (MTSS) are implemented in every Clark County School District school.

2.5: Increased learning time and well-rounded education

Title 1 funds were utilized to support a fully funded teacher and a partially funded teacher, both of whom helped decrease class sizes. Additionally, the funds supported an EL student in a reading room, which is also supported by a CTT.

2.6: Address needs of all students, particularly at-risk

Please refer to the Equity Resource Supports table within each Inquiry Area to see challenges and solutions developed to ensure the needs of all students are considered and addressed.

3.1: Annually evaluate the schoolwide plan

During Act 3 (May-June): Reviewing Our Journey, CI teams will reflect on the school year and determine which goals and improvement strategies will continue, be corrected, or be canceled in the following school year as part of the continuous improvement process.

4.1: Develop and distribute Parent Involvement and Family Engagement Policy

The school leadership, staff, parents, and community stakeholders collaborate annually to develop and revise the Parent Involvement and Family Engagement Policy (PIFEP), providing input throughout the process. The finalized plan is then posted on the school website for accessibility.

4.2: Offer flexible number of parent involvement meetings

We offered a range of parent-involved after-school activities, including a fall festival, literacy nights, and math nights.

5.1: Determine which students will be served by following local policy

We work with all students and parents throughout the school year to ensure student success.

Plan Notes

Funding Source	Amount	Purpose(s) for which funds are used	Applicable Goal(s)
General Funds Allocation	\$3,629,087.67	General running school	
At-Risk Weighted Allocation	\$158,892.90	Strategist and partially funded teacher	class size reduction
EL Weighted Allocation	\$248,501.62	partially funded kinder	class size reduction
General Carry Forward	\$637,346.63	2 fully funded teachers, one partial, instructional assistant	Class Size Reduction and Social-Emotional Learning.
At-Risk Weighted Carry Forward	\$0.00		
EL Weighted Carry Forward	\$18,414.19	supplies and other services	
Title IA	\$0.00
