GRADES 5-6 SUMMER LEARNING AND ENRICHMENT

Program Information

Sycamore Community Schools' 5-6 Summer Learning and Enrichment begins on June 1 and concludes on June 26. There will be no class on June 19. Classes will be held at the Sycamore Junior High School.

Greene 101 is a 1-day transition program. Session 1 - Thursday, August 6 (8 am - 2 pm) **OR** Session 2 - Friday, August 7 (8 am - 2 pm). Greene 101 will be held at the E.H. Greene School, 5200 Aldine Dr. **This program is offered to incoming 5th graders**. Transportation is **NOT** available.

Enrolling a Student

Enrollment must be completed online. "Final Forms" will be utilized for emergency information. If Final Forms is not up-to-date, parents must print out, complete, and return the Emergency Medical Authorization Form.

Transportation

Transportation **is** available for "Summer Learning and Enrichment". Students who need transportation to Summer Learning and Enrichment **must complete and submit the "Online Summer School Transportation Request" form by May 15.** Transportation is **NOT** available for Greene 101. Please be aware that those requesting transportation are committing to riding the bus. K-12 students will ride the same bus.

Fees

- The fee for intervention/remedial courses is $150.
- The fee for Greene 101 is $50.
- Fees are waived for students who qualify for the Federal Free and Reduced Price Meals program as long as the waiver for summer school has been checked on the Federal form.
- A 100% refund, minus a $20 processing fee, will be granted for cancellations made before the first day of class.
- A 75% refund, minus a $20 processing fee, will be granted for cancellations made 1-5 days after the first class.
- A 50% refund, minus a $20 processing fee, will be granted for cancellations made 6-10 days after the first day of class.
- No refunds can be made for cancellations made more than 10 days after the first day of class.
- Courses that do not have sufficient enrollment will be canceled and fees will be returned.

GRADES 5-6 SUMMER LEARNING COURSE DESCRIPTIONS

Course Name	Current Grade	Hours
Mathematics Exploration This course is designed to help review and brush up on math concepts such as fractions, decimals, and integers while gaining math confidence. ($150)	5-6	10 am - 12 pm
Summer Reading Workshop This course will focus on the development of reading, writing, and vocabulary skills. ($150)	5-6	8 am -10 am
Greene 101 Greene 101 is a unique opportunity designed to help incoming 5th-grade students develop the skills necessary for success at E.H. Greene. A team of teachers will conduct activities that strengthen organization, study skills, team-building, collaboration, problem-solving, and technological and critical thinking skills. Students will spend the first half of each session building the skills necessary to become a more independent, structured, and responsible learner. The second half of each session will be devoted to team building, social skills, and things specific to the Greene School. With students coming from four different elementary schools, we hope this experience will ease the fears that are typical when coming to Greene. ($50.00) There is **NO** district provided transportation for Greene 101. Greene 101 Program Flyer Dates/Times Session 1 - August 6 (8 am - 2 pm) **OR** Session 2 - August 7 (8 am - 2 pm)	Students entering grade 5	Students may attend Session 1 Thursday Aug 6 (8 am - 2 pm) **OR** Session 2 Friday Aug 7 (8 am - 2 pm)
