

## Mrs. Hibbard's Notes

*I hope you had a wonderful Spring Break. We will begin our state testing with ELA assessments in grades 3-5 and math testing will follow in May. This year will be the third year of the science assessment for grade 5 students only. As always, we encourage our students to get a good night's sleep, to eat a healthy breakfast and to come prepared to try their best! Thank you to the PTO for providing our student with a snack on each testing day!*

*Thank you for your participation in Parent-Teacher Conferences last month. The opportunity to share your child's progress and work together with families is highly valued by all of our teachers! I hope you also had a chance to enjoy some of our concerts during "Music in our Schools" in March. We have so many talented musicians!*

*Thank you to all of the families who participated in the kids Heart Challenge. We raised over \$3,500 for the American Heart Association and students learned ways to keep their heart healthy! Keep an eye on the Weekly Highlights sent by Dr. Reed to see our top earners soon!*

*We are planning field trips and end of year events. Please continue to check your child's take-home folder and Parent Square the next 3 months for all the details. **Reminder:** The last 3 school days, June 23, 24, and 25 will have an 11:30 am dismissal.*

- Please remember to contact the office with any changes to your child's family information (ie.—phone number, address, emergency contacts). This will ensure that we are able to contact you.
