March Madness Edition – March 2, 2026

Principal's Message

We are now headed into a stretch in which we will have students consistently in school 5 days a week. It is a time when our teachers and students can really bear down and focus on teaching and learning. It is also a time when our teachers will be working hard to prepare our students for the upcoming Ohio State Tests in ELA, Math, and Science (5th grade only).

While learning is always emphasized at WBMS, we also want to keep things fun for our students. The PAC provides and plans many of our fun activities. This includes the upcoming Pi Day for 6th and 7th graders (March 13), Family Bingo Night (March 20), and the Spring Parties (April 2). They also support our end of the year field trips. Our school would not be what it is without the support of the PAC!
