and Genesee Valley Educational Partnership)

Trouble Logging In?

Tips:

Please use a Windows PC, Mac, or Chromebook for coursework. Our classes do not work well when using phones or tablets.
Use Google Chrome (best option), Microsoft Edge, or FireFox

Pop-Ups & Cookies:

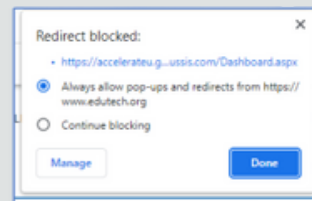

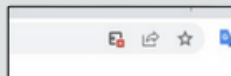

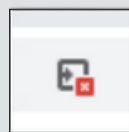

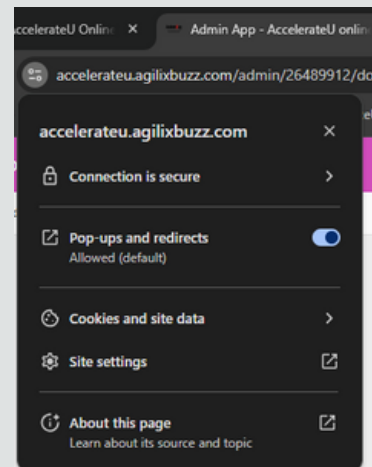

You may need to allow pop-ups for **Genius & Buzz**
To do this

1. Click on the icon in the top left-hand corner of the URL line
2. Then toggle the button to the on position

Note: In this same spot, you can also manage your cookie and site data settings. Be sure these are allowed!

OR

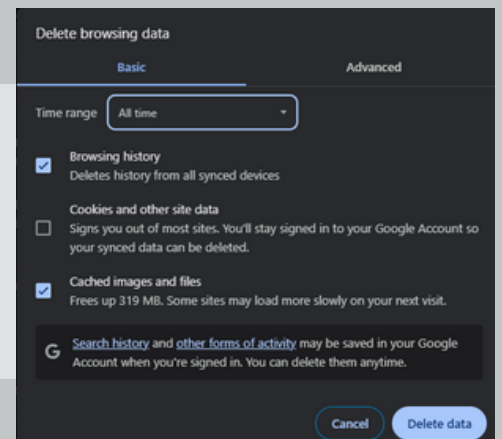

1. Click on the pop-up blocker icon in the top right-hand corner of the URL line
2. Select "Always allow pop-ups and redirects from..."

Deleting Browser History:

Sometimes you need to delete your browser history.

1. In Google Chrome, use the shortcut CTRL+Shift+Delete
2. A pop-up will show up, select the settings shown, then delete data
