Thank you for your consideration of opportunies to partner with the Wayne Township Education Foundation (WTEF). While corporate partnerships will help your organization build your brand and expand your exposure to staff, parents, students and the community, this relationship also helps to maximize support for classroom innovation and student learning. Specifically, WTEF helps students experience the world through cultural programs, hands-on experiences, trips to places outside their neighborhood, and mentorship at no cost.

We recognize that your choice to partner must fulfill some goals for your organization.

Engage with district leadership	Engage with teachers and staff
Engage with parents	Support free access for students & families to new experiences

MISSION

The Wayne Township Education Foundation (WTEF) provides community leadership to enrich, engage, and stimulate teaching and learning in the Metropolitan School District of Wayne Township by supporting school programs and resources, while recognizing excellence.

VISION

WTEF supports activities that empower students to achieve their full potential. Supportive activities include:

- Funding opportunities and teacher innovation to facilitate student growth and readiness to learn.
- Growing endowment funds for successful implementation of the WTEF strategic plan.
- Increasing community awareness and involvement for programs funded by WTEF.

CORE VALUES

- Every student is important.
- Ideas that support teaching and learning should be embraced, encouraged, and funded.
- Parent/caregiver involvement in the educational process is essential.
- Community involvement in the educational process is essential.
- Student achievement creates successful citizens and community leaders.

What your support means to teachers...

"The generous donors to WTEF probably don't understand how much their contribution means to us. WTEF has made it clear, time and time again, that not only are we supported and heard, but there are people eager to help."

"WTEF took a chance on a technology that was not proven. Their belief in my vision has made a difference."

"This program has completely changed the dynamics of independent learning. It has inspired the children to guide their own learning and seek additional information to transfer understanding."

"WTEF is a game changer in my classroom. The support they provide allows me to add to our curriculum in ways that engage our students and takes their learning to a higher level."
