

ADDENDUM 4

Project: School Based Mental and Behavioral Health

Date: April 6, 2026

Invitation for Bid No.: 26-00-21

Owner: Medford School District 549C

Instructions to Prospective Bidders:

This Addendum forms a part of the Contract Documents and modifies the original Bidding Documents and prior Addenda as noted below. All conditions, requirements, materials and workmanship are to be as described in the Contract Documents unless specifically stated otherwise. This Addendum consists of two pages.

General Notes:

None.

Bid Questions Summary:

- Q1: On page 4 of the RFP, under school-based mental and behavioral health program, it stipulates "provide mental and behavioral health services within two elementary school sites;" whereas, other sections of the RFP contain information about providing school services within a school setting and those particular sections do not specify elementary school. Is it a requirement of the funding that the services must take place in elementary schools?
- A1: That was a clerical error. We are looking for all schools, not just 2 elementary schools. Funding is provided for start-up costs and any gaps in ability to bill for students.
- Q2: Do you have a template or specific prompts you wish applicants to follow when applying? I didn't see this on the RFP document or linked as an addendum.
- A2: Proposers should submit a proposal as lined out beginning on page 3 of the RFP.

Q3: In addendum 3 the answer to Q7 states the MSD will need up to “12 therapists for K-12 services of Licensed Providers, interns, and Skills Trainers”- can you please clarify that this means the MSD is seeking 12 total providers who can be a variety of Licensed Providers, QMHP interns, or Skills Trainers?

A3: That is correct, up to 12 providers.

Q4: I didn’t see anywhere whether group options could be included in the proposal or if the MSD is strictly looking for individual supports for students at this time.

A4: Group options could be included based on school data and client needs.
