April 2026

Message from Principal Carrillo-Kelly

Mariner Families,
We hope all of our students, staff, and families had a restful and refreshing Spring Break!

As we return, we are heading into a busy and exciting end-of-year season filled with important events and activities. Throughout April and May, students will be participating in state testing, field trips, assessments, and a variety of end-of-year celebrations.

To help your student succeed and fully participate, please support them by:

1. Attending school every day
2. Arriving on time
3. Staying motivated and doing their best each day

We appreciate your partnership in making this a strong finish to the school year. If you have any questions about upcoming events or celebrations, please don't hesitate to reach out.
