

April 6, 2026 Agenda
Board Questions and Responses Draft

(Agenda item numbers are based on the [4.6.26 Draft Agenda](#))

E.1 Encumbrance Report

Children's Specialties Inc. (page 8 of encumbrance report) appears to be a playground equipment company, however, this is coded as lawn maintenance equipment in the encumbrance description. Please provide clarification.

Thank you for this question. When the RQ was entered originally an incorrect commodity code was used. A change order has been processed to correct the commodity code to "Park, Playground, Recreational."
