BACK TO SCHOOL

WELCOME BACK TO SCHOOL!

The Exceptional Children Services Department, formerly the Learning Support Department, at Rockdale County Public Schools, is excited to welcome students and families back to a new school year! We are committed to supporting every student with exceptional needs by providing high-quality services, resources, and collaboration with families and educators. In this issue, you'll find information about who we are, how to contact us, helpful resources, and details about upcoming events designed to support our students and families. We look forward to partnering with you this year to ensure success for all of our exceptional learners!
