Washington State STEM Signing Day 2026!

Are you a high school senior in Washington state who is committed to pursuing a college or postsecondary training program in STEM (Science, Technology, Engineering, and Math)? This is your moment to shine and be recognized!

Boeing has teamed up again with **Partnership for Learning** and the **Seattle Seahawks** to celebrate students graduating this Spring and committing to a post-secondary credential in a STEM (science, technology, engineering or math)-related field!

Much like signing days for athletes, selected high school seniors will be honored during a special ceremony where they will sign a letter committing to their pursuit of a post-secondary program and an exciting future!

Fifty student honorees and their families will be invited to attend this special event on June 5 at the official practice facility of the Seattle Seahawks and meet Blitz, the Seahawks mascot! They'll also take home some **STEM Signing Day swag**, including **a gift card** to help with the cost of books and supplies.

Check here for more information: Washington State STEM Signing Day 2026

The application is NOW OPEN. The deadline to apply is Friday, May 1.

The Garrett J. Goodchild Achievement Award is a fantastic scholarship opportunity for graduating seniors from Eastlake, Lake Washington, or Redmond high schools who will be attending one of nine independent, not-for-profit Washington colleges and universities this coming fall. This award is available to such a small group that your students have a great chance standing out among the other applicants.

Learn More and Apply!

ICW will award a $2,500 scholarship, renewable for up to four years with satisfactory academic progress, for $10,000 in support to a 2026 graduate of Eastlake, Lake Washington, or Redmond high schools.

Interested students must submit an essay, resume, and letter of recommendation using this form on the Independent Colleges of Washington website. The scholarship is a memorial to Garrett J. Goodchild, who passed away in 1996 prior to his senior year at Eastlake High School and was established by family and friends.

Applications are due by April 17, 2026
