Parent Question: how does the student continue to meet the goal or progress.

Response: Supplementing out with iXL with individualized student Map Plans.

Attendance

Staff Attendance = overall 97%, PTO donated monthly gift cards to raffle off for teachers that have 100% attendance. Campus monthly goal: 98%

Ideas: Hot chocolate/Churro Truck, Teacher Recess coverage, snack cart,

Student Attendance = the lowest student attendance was November

Positive incentives by classroom: who can use the most hand sanitizer bottles for the month.

How much is 1% of staff absences = 3 staff members.

Rise in illnesses = have items on hand (emergency, hand sanitizer, wipes)

Is there a session provided to students when flu season rises?

Parent volunteers = possibility during ancillary or lunch time.

Discipline Concerns

Discipline Concerns

Field does not have so many concerns, but we want more ideas for the cafeteria.

Competition: who can be most silent, get a lion buck. Visual aid (noise-o-meter). Noise level tracker (gain and taken away)

Incentive: extra recess, eating lunch outside, music in the cafeteria, lunch with the teacher
Upper grades lower level engagement - games (chess, fast facts)

Leveraging parent volunteers

Can parents be monitors? (If VIPS Approved and appropriately trained)

What would be the top leverage to implement in January:

- Parent Volunteers
- Taking students outside to eat (small group)
- Noise visual

Budget, Operations & Facilities Topics

Enrollment Growth

507 = 24-25 SY vs. 560 = 25-26 SY

\$80,000 additional funds to the 25-26SY Budget

What to do with the extra funding? Use instructional materials.

The current need 240 devices (laptops/iPads).

Campus will purchase some and PTO funds some. Making a plan to purchase classroom amounts.

The campus can receive donations and state it specifically to technology. All donations must go through the proper channels through the district before any purchases can be made.

Looking for the use of school-based grants for computers from HP or Dell that are district approved.
Using a tracker to track the amount needed.
