

MARSHFIELD GIRLS

SUMMER BASKETBALL CAMP

June 1-2-3, 2026

AT MARSHFIELD MIDDLE SCHOOL

An instructional camp for girls K-9th grade.

Our camp will teach the basic fundamentals of the game and make it fun at the same time. Basketball helps kids build character, promote good sportsmanship, and develop leadership skills. Our camp is designed to allow each camper the opportunity to work on skill development & incorporate that into a fun & competitive environment.

This includes instruction, drill work as well as competition. Each camper will receive excellent instruction from current and former Marshfield girls' basketball players and the current coaching staff. We look forward to seeing you at camp!

COACHES: HEIDI MICHAELIS
