MIDDLE SCHOOL PROGRAMS

Advanced Curriculum Designed for High School Success

With small class sizes and rigorous, challenging curriculum, School of St. Elizabeth enhances the middle school experience for students in grades 6 through 8. Our academics are rooted in character, values and integrity, and focused on supportive and individualized paths to success for all students. We utilize Measures of Academic Progress® (MAP®) testing, offering a suite of assessments to deliver data for teachers and parents to maximize student progress. St. E's continues to lead the Diocese in scores for student growth and achievement.

Faith, Family & Service

School of St. Elizabeth fosters a love of learning rooted in the Catholic tradition of excellence. Our foundation is built upon faith in God and the virtue of service to others in our church and our community. Families are invited to join our active Home School Association, where parents plan events, classroom activities and celebrations designed to enrich the student experience both inside and outside of school.

Middle school students celebrate their faith with daily prayer, weekly mass, monthly all-school masses and preparation for the Sacrament of Reconciliation. Children develop a strong moral compass incorporating the values of kindness, honesty and character. Graduates become young adults who will serve as role models and excel during their high school journey.
