

CATASAUQUA MIDDLE SCHOOL NEWSLETER

April 2026

PRINCIPAL'S MESSAGE

We are thrilled to announce that the Catasauqua Middle School team was honored at last week's regional "What's So Cool About Manufacturing?" awards ceremony. Out of 32 middle school teams, CMS was awarded the trophy for Outstanding Product Placement. A huge thank you to our advisors, Mrs. Hahn and Mrs. Gutai, and the rest of the team members who are pictured and named on the following page.

The annual PSSA State Assessments will be administered this month. The testing schedule is as follows:

- ELA (Grades 5-8): April 21, 22, and 23
- Math (Grades 5-8): April 27 and 28
- Science (Grades 5 and 8 only): April 29 and 30

We ask that your children be on time and present for these important assessments. Please ensure they get a good night's sleep and are well-rested each morning. Thank you in advance for your continued support and for trusting us with your child's education. Have a safe and relaxing spring break with your family and friends!
