

Camp Invention®

SPARK

YOUR CREATIVITY THIS SUMMER!

Discover Fur-ensic Science

Experiment With Buoyancy

Explore Space

Spark Invention Superpowers

From exploring forensic science with capybaras to designing new space innovations, this year's **all-new** Camp Invention® program is designed to **SPARK IMAGINATION** and **OUT-OF-THIS-WORLD CREATIVITY**. With four brand-new experiences, rising K-6 students unlock the joy of STEM through high-energy challenges and unforgettable hands-on exploration designed to **INSPIRE CONFIDENCE, PERSISTENCE** and **INNOVATIVE THINKING**. Led by qualified local educators, we're excited to see campers bring their ideas to life this summer!

Scan to see Camp Invention in action, find a program in your community and for exclusive savings!

Camp Invention®

Camp Invention is a K-6 STEM summer program created by the National Inventors Hall of Fame® and tested by educators nationwide. With over 1,500 locations across the country, it is available in your community this summer!

Color this bedroom scene!

Use the Code Key to match each picture to its letter. Write the letters on the lines below to reveal the Secret Message!

☾ = A 🍏 = C ★ = E ☀ = I
😊 = N ❤ = T 🌸 = V
