

WHEN IS THE BOND ELECTION?

By a unanimous vote, the Dallas ISD Board of Trustees took action on Feb. 12 to approve calling a Bond Election to be held **May 2, 2026**, to authorize the issuance of \$6.2 billion in bonds

WHAT IS A SCHOOL BOND ELECTION?

A school bond election asks voters for permission to sell bonds to investors to raise capital for specific projects, such as building new schools or renovating existing facilities.

It is similar to a homeowner taking out a mortgage to pay for a house and then paying it back over time.

WHAT IS A SCHOOL BOND ELECTION?

Bond funds can only be used for capital projects—things that last many years—not for daily expenses.

They **cannot** be used for teacher salaries, utilities, supplies, or academic programs. Bonds let school districts fund facility improvements up front and repay the cost gradually through property taxes.

WHAT IS IN THE DALLAS ISD BOND ELECTION?

There are 4 propositions on the Ballot—Props A, B, C and D. Proposition **A** (\$5.929 billion) includes:

- 26 new replacement campuses
- Districtwide renovations at all campuses
- Facility upgrades, including the removal of ~700 portables
- Safety and security improvements
- Technology: cybersecurity and connectivity
- Science labs and furniture replacements
- Transportation: new buses and bus safety equipment
- Playgrounds, courtyards and turf for schools
- Physical education upgrade

WHAT IS IN THE DALLAS ISD BOND ELECTION?

Proposition B (\$144.7 million)

Technology upgrades, including student, staff and classroom devices

Proposition C (\$143.3 million)

Would allow the district to refinance \$143 million in debt, giving it the ability to redirect more resources back to classroom operations

Proposition D (\$26.25 million)

Repairs and renovations to school district swimming pools

HOW MUCH WOULD THIS ELECTION INCREASE TAXES? 1 CENT TAX RATE INCREASE

A 1 penny property tax rate increase on an average \$500,000 home* would cost ~\$2.79 a month or \$33.48 a year.

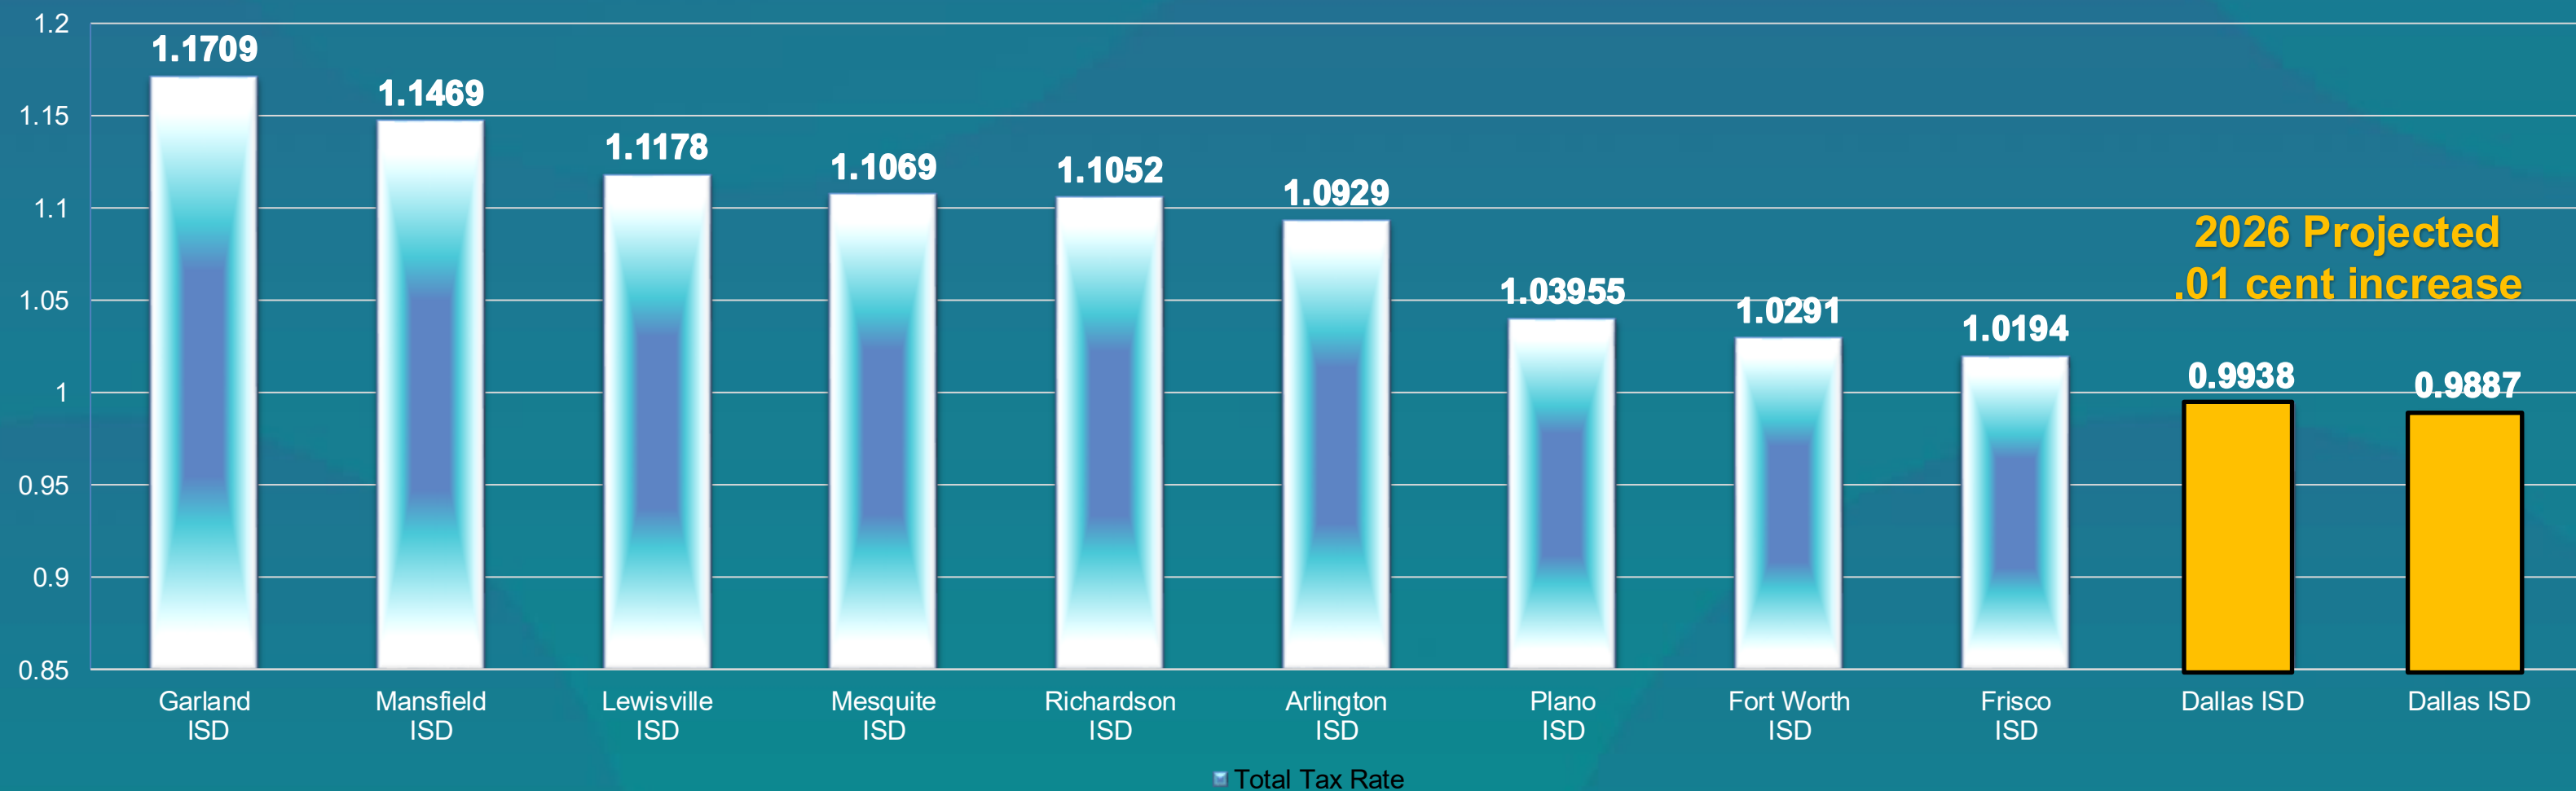

Property owners 65 and above would NOT be impacted, unless major improvements are made to the homestead

* With a homestead exemption

WHAT IS DALLAS ISD'S TAX RATE IN COMPARISON TO OTHER LARGE DISTRICTS IN NORTH TEXAS?

In 2015, Dallas ISD had the second lowest total tax rate of the 10 largest Districts in the DFW area. Most recently in 2025, DISD has the **lowest** total tax rate of the ten largest ISDs in the region.
