AGENDA ITEMS

1. Consider bids for windows replacement at Maryville Junior High School – Funding Source: Regular Capital Outlay: Building Improvements (Attachment B1)
    a. Dr. Winstead explained that four companies submitted bids. Holston provided both the lowest bid and the shortest project timeline. The company has been successfully used for other construction projects across the district. A diagram was presented showing the areas where windows will be replaced. Water intrusion is the primary concern, as the existing windows, installed in the 1970's, are very thin. Due to limited accessibility in certain areas, costs are higher than they would be for exterior-facing replacements.
    b. Nick Black made the motion to award the contract to Holston in the amount of $220,000. Second from Candy Morgan.
    c. Motion was approved unanimously.
