

Take a Father to School Day 2026

FRIDAY, MAY 15, 2026 | All Pittsburgh Public Schools

Pittsburgh Public Schools warmly invites fathers, uncles, and positive male role models to participate in the nationally recognized Take a Father to School Day.

This year's theme, **N.F.L. Needs for Learning: Fathers Scoring Big for Student Success**, highlights the power of education and connection in driving student achievement. We encourage fathers and male role models to step into the game, engage with and inspire students, and build meaningful connections that support learning, strengthen confidence, and lead students to a winning path of success and achievement.
