ECS is committed to improve instruction and student achievement with AL-MTSS:

- MTSS: Supporting the Whole Child at Every Level

What is MTSS?

- A proactive, school-wide framework designed to meet the academic, behavioral, social, and emotional needs of all students.

Whole Child Focus:

- *MTSS ensures every student is safe, healthy, engaged, supported, and challenged academically and beyond.*
- *Three Tiers of Support:*
- *Tier 1: High-quality instruction and support for all students.*
- *Tier 2: Targeted interventions for students who need additional help.*
- *Tier 3: Intensive, individualized support for students with significant needs.*

Academic+ Social-Emotional Growth:

- *MTSS helps students thrive in the classroom while also developing coping skills, resilience, and positive relationships, using PBIS - Positive Behavioral Interventions and Supports*

** Data-Driven Decisions:*

- *Regular assessments and progress monitoring help staff provide timely and effective interventions.*

Family and Community Involvement:

- *Collaboration with families and community partners is key to supporting the whole child.*

Equity in Action:

- *MTSS promotes fair access to resources and opportunities for every student, regardless of background.*

Team-Based Approach:

- *Teachers, counselors, specialists, and administrators work together to provide personalized support.*
