We lead collaboratively
as one governance
team with public unity
and internal candor.

We rely on one another
to bring our community's
voices to board
conversations.

We communicate
openly, respectfully,
proactively, and raise
concerns early with one
another.

We focus on issues, not
individuals.

We ask questions to
understand.

We assume positive
intent and own our
impact.

Welcome to a meeting of the Mapleton Public School Board of Education!

The Board's meeting time is dedicated to addressing Mapleton's mission and top-priority focus areas. "Public Participation" is an opportunity during the business meeting to present brief comments or pose questions to the Board for consideration or follow-up. Each person is asked to limit his or her comments to 3 minutes. If you are interested in helping Mapleton's efforts, please talk with any member of the district leadership team or call the district office at 303-853-1015. Opportunities abound. Your participation is desired.
