

SSC- 6:00-6:30

Kim Clements- Small update on the playground: Process of fixing a slide; there is a part on order; should be shipping out today.

Grant was placed for \$300,000 to Lowes; We would only hear back if we got it.

Sidewalks will be moving forward; there was a community meeting about that. The neighborhood advocated for Police presence for following the rules of the road.

SRO was at the school during the dismissal 4/6

Discussion about dismissal and the problems with three way traffic.

Discussion of accuracy of school lunch menu.

Kim- The menu is pretty accurate; it depends on Aramark and products. The cafeteria workers just began taking lunch counts in order to correct the amount for each level.

Planning on having an event calendar planned out early for next year and budgets; then have a committee for each event; also we need to get more people at the meetings.

Got a few new names on volunteer lists at conference time. Discussion on how to get more participation on PTO rather than just attending events.

Send home papers instead of just Dojo; and use blackboard messaging. More specific with the help.

Need to recruit people at multicultural nights and other events; dismissal or arrival times.
