ST. JOHNSBURY ACADEMY JEJU

HIGH SCHOOL PROFILE 2025-2026 CEEB CODE 682016

SCHOOL OVERVIEW

St. Johnsbury Academy Jeju opened its doors in the fall of 2017 for nearly 450 students in PreK3-10th grade. We are the first (and only) American International School in the Global Education City on Jeju Island in South Korea. We are modeled after our homeschool in the United States - St. Johnsbury Academy (Vermont) - a 180-year-old boarding school with a rich history of academic excellence.

SJA Jeju incorporates and emulates many aspects of the academic programming of SJA Vermont, though we have the freedom to adapt our home school's model to best fit our context and community here on Jeju Island. As such, we largely follow the home school's example in most aspects of our academic program, including: morning assemblies, advisory, conference period, senior capstone projects, inquiry-based learning, AP College Board course options and an accelerated 5x5 block schedule.

Now, in our ninth school year, SJA Jeju has grown into a vibrant institution that facilitates student success in academics, visual and performing arts, athletics, and a wide range of extracurricular activities. Approximately 1000 students attend SJA Jeju from PreK3 through 12th grade. 440 students are enrolled in the high school and benefit from robust course offerings that provide an abundance of choices in core subjects, innovative electives, and AP options in all content areas. 12th-grade students participate in a year-long Senior Capstone project - weaving together the academic skills and habits of learning that students develop during their years at SJA Jeju. Student projects feature an intensive proposal process, collaboration with a faculty committee, original research, intensive interdisciplinary writing, and project defense presentations - showcasing a celebration of learning achievement at the end of each student's senior year.

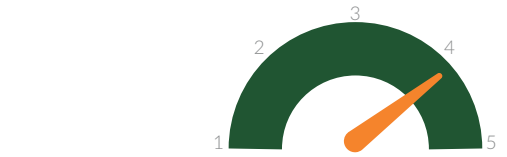

2017 Established in 2017

OUR MISSION

St. Johnsbury Academy Jeju is a diverse, comprehensive, and independent educational community grounded by our traditions, our deep optimism regarding young people, and our commitment to academic excellence:

CHARACTER

To teach good character by modeling and fostering compassion, respect, responsibility, and integrity.

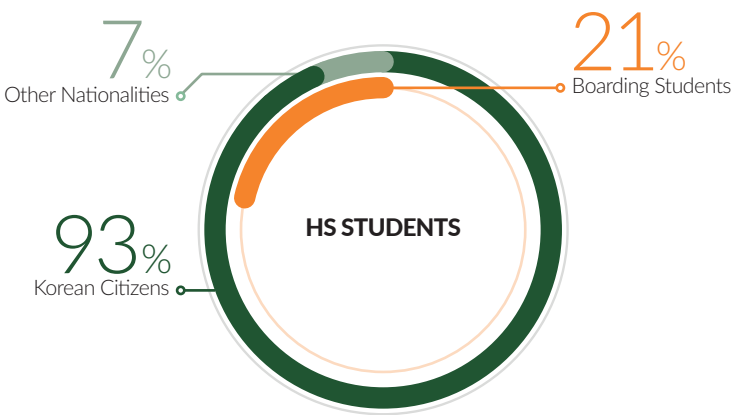

INQUIRY

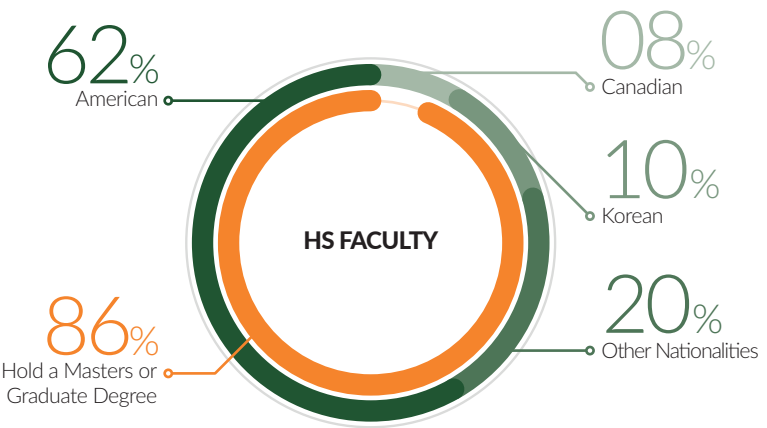

To foster a love for learning by challenging individuals to pursue knowledge, creativity, and intellectual self-reliance.

COMMUNITY

To encourage each individual to understand his or her relationships, rights, and responsibilities within a community that is itself part of the larger world. Our culture fosters a tradition of respect for all members of our community, regardless.

The Total Number of Faculty (45 Overseas Faculty) **50**

Certified **100%**

AFTERSCHOOL ACTIVITIES AND CLUBS

The high school After School Activities program allows students to discover new interests and passions – with an emphasis on learning by doing. The After School Activities program encourages students to explore new subjects, dive deeper into familiar hobbies, and use this after-school time to continue to learn and explore in a low-stakes setting. SJA Jeju offers about 50 activities (clubs), including Math Club, Model UN, Red Cross Youth, Dance, Harvard Business Review, Art Club, Essay Writing, Rocket Engineering, TEDx, School Newspaper, and Student Council.

ATHLETICS

SJA Jeju's athletic program features 25 varsity sports across three seasons, including volleyball, soccer, basketball, ice hockey, lacrosse, badminton, baseball, cross country, track and field, tennis, and swimming. Our student-athletes consistently compete for championships in both male and female divisions in multiple sports as SJA participates in the Korea International School Athletic Conference (KISAC) tournaments. Our program extends beyond local competitions, with teams traveling for international tournaments, providing global exposure. This comprehensive athletic calendar not only promotes diverse sporting opportunities but also challenges our students to become leaders not only in the classroom but also through athletics and earn a Varsity Letter.

ARTS

The mission of the Fine and Performing Arts Departments is to offer instruction, resources, and a culture that inspires students to develop artistic awareness, creativity, and proficiency by providing a professional environment and a comprehensive curriculum in the visual and performing arts. SJA Jeju believes that the exploratory creative process encourages cognitive growth and builds problem-solving skills that promote resilience and flexible thinking. The school also holds an Annual Festival of the Arts, which includes students' visual, musical, and dramatic presentations at multiple locations throughout the campus.

EXCHANGE STUDENT PROGRAM WITH SJA VERMONT

Each year, a group of students from SJA Jeju spends the second semester studying and living at SJA Vermont. The exchange of students between the two schools enhances the academic and social culture of each school as exchange students naturally bring different perspectives and experiences with them - both in our classrooms as students and as residents in our boarding program.

SENIOR CAPSTONE

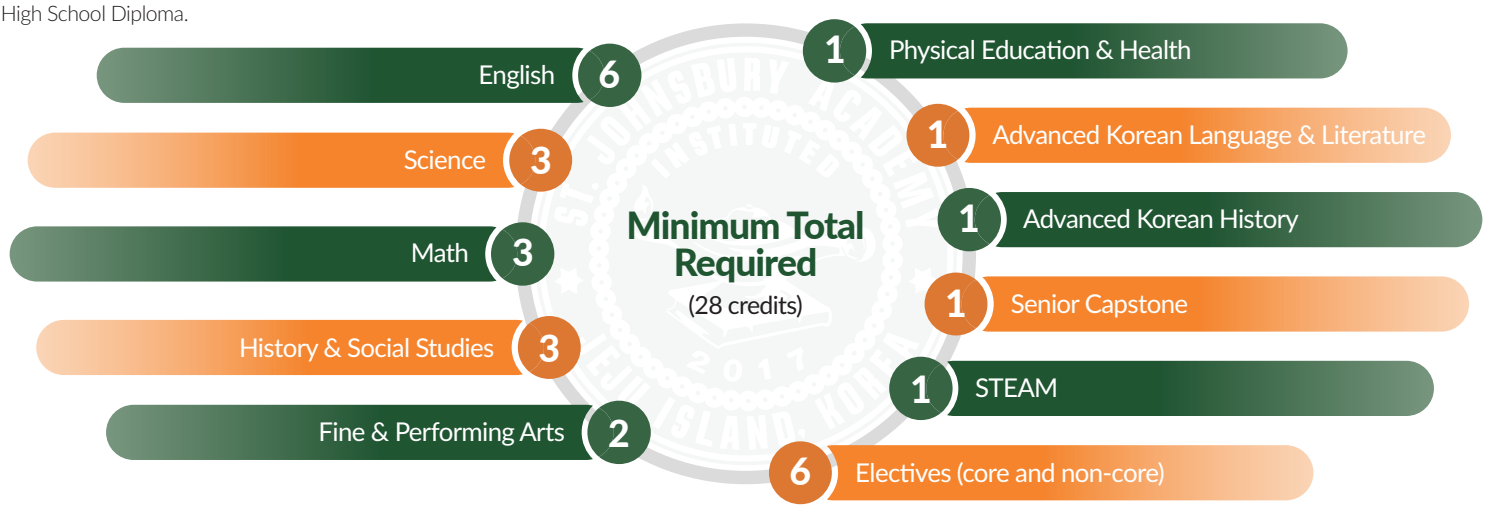

The culmination of all previous learning, Capstone serves as an opportunity for students to demonstrate mastery of SJA Jeju standards as they prepare to further their education, embark on their careers, and carry the overall SJA Jeju experience into their personal and professional lives.
The principle expectation of a Capstone student is that they enter into either a professional or an academic conversation about an idea/issue/topic, using research, problem-solving, interpersonal and communication skills; instill habits of professionalism and civil discourse; and develop a portfolio of work that will exhibit skills and dispositions as they enter adulthood.

AP SEMINAR/AP RESEARCH

SJA allows students to replace English 11 and English 12 courses if they opt for AP Seminar and AP Research, respectively.

GRADUATION REQUIREMENTS

SJA Jeju students must complete 4 years of high school (grades 9-12), and accumulate a minimum of 28 credits (as outlined below) in order to earn and receive an SJA Jeju High School Diploma.

GPA

All letter grades are based on the 4.0 grading scale outlined on student transcripts. Grades are not weighted or scaled, and students are not ranked. Reported GPA only reflects courses taken at St. Johnsbury Academy Jeju. Transcripts will be provided for credits accrued from other institutions.

Korean University Enrollment

All Korean students at SJA Jeju fulfill the academic requirements to apply to Korean Universities. SJA Jeju works with each student who wants to apply to Korean Universities to support, prepare, and submit the application. Korean Universities accept applications in the Fall following a student's graduation.
