Important Note on Financial Aid Expectations

At Oakland Catholic High School, we are dedicated to fostering a supportive community where every family contributes to the shared mission of providing an exceptional education. While financial aid and scholarships are available to assist qualified families, we do not offer full tuition coverage. All enrolled families are expected to pay a meaningful portion of the tuition, regardless of aid received, to help sustain our programs and resources for the benefit of all students. This commitment ensures that private education remains a valued privilege and a collective investment in both our school's and our students' futures. For personalized guidance, please contact our Financial Aid Office.
