Subject to availability day pupils may stay overnight in the boarding houses for a dinner, bed and breakfast fee of £100. Parents should contact their pupil's HSM if they are interested in booking overnight stays on this basis.

### **4. Payment of School Fees:**

Fees are due and payable on or before the first day of each term. Invoices can be settled:

- By bank transfer to the account of 'Prior Park Educational Trust', account number: 80736627, sort code: 20-47-06 (Barclays Bank PLC, Bank), quoting the pupil's name and account number.  
IBAN: GB52BARC20470680736627  
SWIFT Code: BARCGB22
- By monthly Direct Debit: details on the website
- Parents of International boarders are recommended to use Flywire to make their payments (deposit and school fees) to minimise the bank charges and to enable easier repayment of deposits at the end of their child's schooling with us. Their website is as follows:  
[priorpark.flywire.com](http://priorpark.flywire.com)

Late payments attract an interest charge on the full outstanding balance. Interest will be added at a rate of 2% per month from the second day of term on all unpaid balances. Repeated instances of late payments may lead us to insist that parents set up a direct debit for the payment of fees on the first day of each term.

### **5. Insurance Schemes:**

The following insurance schemes are offered to parents on an opt-in basis with an additional termly charge (the charges below are for 25/26 and are subject to update by insurers over the Summer):

- Pupil Absence Insurance Scheme (opt in if required) charged at 0.95% of School Fees per term.
- Personal Possessions Insurance (opt in if required) £8.30 per term.

The Trust also provides personal accident insurance for all pupils within the School Fees.

Further information regarding the above insurance schemes can be found on the school's website or by contacting the Finance department.

### **6. Sibling Discounts:**

Prior Park Schools offer a discount to parents who have two or more children simultaneously at our schools. A discount of 5% will be applied for a second child, 10% for a third child, 15% for a fourth child and 20% for a fifth child. Sibling discounts will be applied in addition to any Scholarship or similar award.

### **7. Scholarships:**

A range of scholarships are available. The Scholarship brochure, indicating the benefits of being awarded a scholarship can be obtained from the Admissions Team or via our website.

### **8. Bursaries:**

Bursaries are awarded strictly according to the Prior Park Schools' Means Tested Bursary Policy in response to financial need, either to relieve difficulty in the family of an existing pupil, or to enable entry to Prior Park College by pupils whose parents could not otherwise afford the fees.

All applications are made via our external third-party provider, Bursary Assessment Associates who run the process via their secure portal and report back to the school with the results. This ensures that each application is reviewed objectively and on the same basis so that we can be equitable in the stewardship of the limited bursary funds available to under the Trust.

We are proud to support families who are in receipt of the [Continued Education Allowance \(CEA\)](#) with an additional 10% fee remission against our full boarding fee. All serving HM Armed Forces personnel who are not in receipt of the CEA will receive a 10% fee remission against the prevailing day fee and are also welcome to apply for a means-tested bursary.

#### **9. English as an Additional Language Fees:**

English as an Additional Language is taught either individually or in very small groups. Where these lessons are charged the cost (which is exempt from VAT) is as follows per 35 minute session:

Instruments are available for hire at a termly cost of £65 (which includes their use at weekends and during the holidays). Piano and organ pupils are not charged hire fees. Drum pupils are charged £35 per term because pupil access to these instruments is more restricted. It is the hirer's responsibility to make any necessary insurance arrangements whilst keeping school instruments at home.

#### **12. Modern Foreign Language (MFL) Additional Tuition Fees:**

MFL lessons in a range of European and Asian languages can be provided by an individual specialist language tutor at the rate of £57 per session. These can be booked through Miss Main - Head of Eurasian Studies.

#### **13. LAMDA:**

LAMDA tuition is offered at the following rates:

- £30 for 35 min session
- £15 for 35 min session (Duologue)

LAMDA lessons are 35 minutes a week in which students follow an acting syllabus working towards an exam. Students can work as solo performers or in a pair.

Although most students choose acting or devising, we can also offer the LAMDA communication syllabus covering verse and prose, public speaking or reading for performance.

LAMDA is excellent for a range of skills and can really boost confidence and communication skills. LAMDA also offers UCAS points at grades 6, 7 and 8.

#### 14. Sixth Form Subscription:

All 6th Formers are charged £75 per year for membership of the 6th Form Club. This subscription (charged in the Lent term) is used to subsidise tea, coffee, social-events, lectures and leadership days and to improve the overall 6<sup>th</sup> form experience. This also helps to fund the leaving events for pupils in the Upper Sixth Form.

#### 15. Personal Learning Device (PLD):

All pupils are required to use a school supplied laptop that is designed to support their digital learning whilst at Prior Park College. We call these laptops "Personal Learning Devices" (PLDs). The PLD is a Windows 11 device which integrates directly with the schools' Microsoft 365 learning platform and ensures that all students have the same access to our learning platform wherever they are studying.

The fee is £86 per term

You are paying for the PLD "service" - this includes access for your child to the PLD itself, the online safeguarding and management systems (both inside and outside of school) as well as antivirus/malware protection. You will not be entering into any kind of lease agreement, and you will only be paying for each term that your child attends. The PLD remains the property of the school and is returned when your child leaves Prior Park College.

All PLDs are covered by a Manufacturer's warranty to repair or replace any defective part that fails. For other damage to the PLDs, such as impacts, pressure damage, water damage, etc, both accidental or through misuse, repairs are chargeable.

Some PLD damage can be repaired in house at a fixed cost, details and items covered below:

Part	Unit Cost (inc VAT)
Screen	£282
Lid Cover	£54
Base cover	£48
AC Adapter + Cord	£36
Replacement Pen	£30
M2 SSD (Hard drive)	£108
Wireless LAN module	£20

All other damage not listed will need to be sent to Lenovo's repair centre, which incurs a £72 (inc VAT) depot repair fee, additional to any parts that need to be replaced. Students will always be issued with an 'instant swap' PLD while theirs is repaired, ensuring there is no interruption to their learning."

Please note that you will be informed of any damage incurred during the term which costs more than £50 to repair but that some smaller items or repairs (under £50) may be added to the termly bill without prior notification.

#### 16. Printing:

We are trying as a school to reduce printing and ask for your co-operation to achieve this. Pupils will have a reasonable initial termly budget for printing and once this budget has been used up we will recharge the costs of printing above this limit in tranches of £10. In some circumstances these charges will be waived if the printing is deemed necessary for the curriculum / subject.

#### 17. Fees in Advance Scheme:

We offer a fees in advance scheme which is open to all parents. Further details can be provided by Finance on request at: [feebilling.ppc@priorparkschools.com](mailto:feebilling.ppc@priorparkschools.com)
