

Misc. Information

National Assistant Principal's Week

Mrs. Myers has been an incredible asset to our elementary campus! She embraces every challenge with enthusiasm—whether that means jumping into a pie-eating contest or getting slimed to boost school spirit and fun.

She has a passion for travel and loves sharing stories from her adventures. As a bilingual team member, she's helped strengthen communication across our community. She's also a talented cook and enjoys crocheting in her free time. Above all, she consistently inspires and encourages every student to strive for their very best.

Let's come together this week to show our appreciation and celebrate everything she brings to our school!
