Chronic Absenteeism in GBCS K-12

Chronic absenteeism is defined by the U.S. Dept. of Education as students who miss 10% or more of school. It has become a more serious challenge since the COVID-19 pandemic. However, Grand Blanc Community Schools has maintained a lower rate of chronically absent students than both the GISD and the state average over the last three years.

GBHS DUAL ENROLLMENT

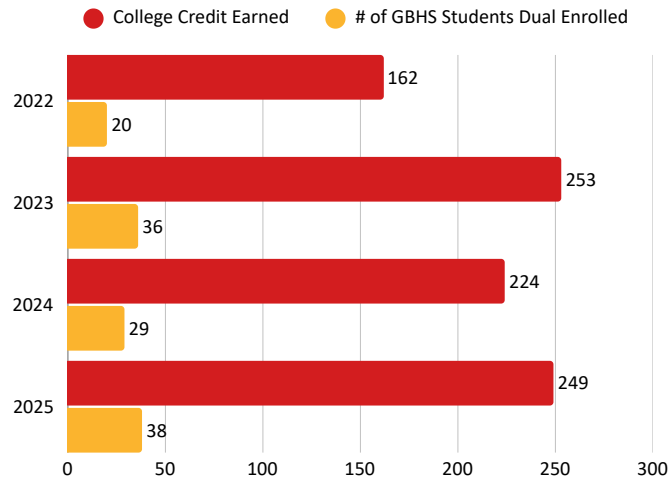

Dual Enrollment is also available to GBHS students to earn college credit while in high school. Students can opt to take college credits through UM-Flint or Mott Community College if they are approved. Courses must meet certain criteria and cannot be available as AP courses through GBHS.

GRAND BLANC EARLY COLLEGE

GBEC is a 3-year program in cooperation with UM -Flint, which allows students to earn college credit while at GBHS. Students are invited to apply sophomore year to begin GBEC in their junior year, if accepted. The first two years of learning take place at GBHS. They commit to an “extra” year of school at UM-Flint.

These numbers do not include students enrolled in GCI/GEC.
