

Crowley ISD Points of Pride

Tuesday, April 7, 2026

1. Enroll Today!

Families - new student enrollment and returning student registration is now open online for the 2026-27 school year. This includes **all students**, from Pre-K to high school, as well as transfers.

With our district's enrollment climbing every year, we're encouraging families to register as soon as possible to save their seat and help us prepare and hire for our fast-growing district!

If you need help enrolling your Pre-K or kindergarten students, Crowley ISD will have a team ready to assist you this Saturday from 9 a.m.-1 p.m. at the Bill R. Johnson CTE Center.

2. Deer Creek 50th Anniversary

Calling all Dragons! Deer Creek Elementary is celebrating 50 years of excellence, and you are invited to join us on **Saturday, April 18**, for a special program as we honor five decades of memories, achievements, and community.

We look forward to celebrating this milestone with everyone who has been a part of the Deer Creek Elementary story.

3. CISD Job Fair, April 11

We're always looking for the best teachers and leaders for our students, because they deserve it. Crowley ISD is hosting its annual Job Fair this Saturday, April 11, at the Bill R. Johnson CTE Center.

Join us to learn more about open positions and explore career opportunities in Crowley ISD. This is a great opportunity to connect, ask questions and discover how you can become part of our team of excellence.

4. CMS Band

Congratulations to the CMS Symphonic Band for earning the highest award of "Sweepstakes" at the UIL Region competition in Cleburne. This marks the third consecutive year of the CMS Panther Band to earn sweepstakes at this event.

Your hard work and consistency paid off and we are proud of you!

5. Ability Games

Crowley ISD Special Education middle school students had an amazing day of dancing and playing games at the district's Ability Games last Thursday. The event was filled with music, food and festivities and hosted on the field at Crowley ISD Multi-Purpose Stadium.

The fun continues as the elementary session of the Ability Games is scheduled this Friday. Thank you to all of the volunteers and staff that helped make this special for all of our students!

6. Cowtown Great American Cleanup

Crowley ISD high school students had a great opportunity to **earn volunteer hours** last month, while working with peers and keeping the community clean by joining the Cowtown Great American Cleanup. Our team spent a few hours at Patricia LeBlanc Park near Oakmont Elementary School.

Thank you to the students and other volunteers for making a difference in our community!

7. April Reading Challenge

Crowley ISD is hosting an April Reading Challenge for all students! Read as many minutes as you can using the OverDrive Digital Library through ClassLink. Your reading time is tracked automatically, and you can check your leaderboard ranking anytime!

Every student already has access. Just select books at your level, and start reading at home or school.

Prizes go to the top readers in elementary, middle and high school levels.

Start reading, climb the leaderboard and claim your spot at the top!
