BEAUFORT COUNTY

SCHOOLS BY CLUSTER

NORTHERN BEAUFORT COUNTY

Battery Creek Cluster

A Battery Creek High (9-12)
B Robert Smalls Leaderhip Academy (PK-8)
C Beaufort Elementary (PK-5)
D Broad River Elementary (PK-5)
E Joseph S. Shanklin Elementary (PK-5)

Beaufort Cluster

A Beaufort High (9-12)
B Beaufort Middle (6-8)
C Lady's Island Middle (6-8)
D Coosa Elementary (PK-5)
E Lady's Island Elementary (PK-5)
F Mossy Oaks Elementary (PK-5)
G Port Royal Elementary (PK-5)
H St. Helena Elementary (PK -5)

Whale Branch Cluster

A Whale Branch Early College High (9-12)
B Whale Branch Middle (6-8)
C Whale Branch Elementary (1-5)
D James J. Davis ECC (PK-K)

SOUTHERN BEAUFORT COUNTY

Bluffton Cluster

A Bluffton High (9-12)
B May River High (9-12)
C Bluffton Middle (6-8)
D H.E. McCracken Middle (6-8)
E River Ridge Academy (PK-8)
F Bluffton Elementary (PK-5)
G M.C. Riley Elementary (PK-5)
H Okatie Elementary (PK-5)
I Pritchardville Elementary (PK-5)
J Red Cedar Elementary (PK -5)

Hilton Head Cluster

A Hilton Head Island High (9-12)
B Hilton Head Island Middle (6-8)
C Hilton Head Island ECC (PK-K)
D Hilton Head Island Elementary (1-5)
E Hilton Head Island School for the Creative Arts (1-5)

Additional Schools

A Right Choices (Alternative Program)
B Riverview Charter School (K-8)
C Beaufort-Jasper Academy for Career Excellence (Vocational School)

SUPERINTENDENT

Dr. Frank Rodriguez

The first Hispanic superintendent in South Carolina, Superintendent Rodriguez begins each of his personally recorded robocalls in English and Spanish by saying, "This is your proud Superintendent Frank Rodriguez," a genuine reflection of his commitment to serving every member of the Beaufort County community.

Named the 2025 South Carolina Superintendent of the Year, Dr. Rodriguez continues to make a profound impact on Beaufort County School District. Under his leadership, two major bond referendums have overwhelmingly passed—$344 million in 2019 and $439 million in 2023, the largest in the district's history—demonstrating strong community trust and support.

His engagement with the community remains a hallmark of his leadership, with numerous speaking engagements across the county in the past year, building on his national recognition as one of 25 "Superintendents to Watch" by the National School Public Relations Association for his communication efforts.

Student achievement continues to reach historic highs. The district's 2025 graduation rate climbed to 89.3%, the highest in district history, while 85.3% of students are now College or Career Ready—also a record. The latest state report cards show that 91% of Beaufort County schools are rated Excellent, Good, or Average, with no schools rated Unsatisfactory for the second consecutive year—underscoring sustained systemwide progress. The district has also achieved its best-ever English Language Arts scores on the 2022, 2023, 2024, and 2025 SC READY state assessments.

Dr. Rodriguez's leadership has also prioritized both academic recovery and long-term success. His testimony before U.S. Congress staff highlighted the district's innovative extended learning programs, which have played a key role in addressing pandemic-related learning loss and driving continued academic gains.

The district has also made significant strides in supporting and retaining high-quality educators. Starting teacher salaries for the 2025–2026 school year have increased to $60,000, building on earlier efforts that once elevated the district from 53rd to 1st in teacher compensation statewide. Additional initiatives include free and reduced-cost afterschool

childcare for staff and a comprehensive induction and mentoring program for new teachers. Before joining Beaufort County, Dr. Rodriguez dedicated 26 years to the South Florida education community in a variety of leadership roles, further underscoring his deep experience and enduring commitment to public education.

MISSION AND VISION

The **MISSION** of the Beaufort County School District, through a personalized learning approach, will prepare graduates who compete and succeed in an ever-changing global society and career marketplace.

Our **VISION** is to work with families and our diverse community to ensure that students perform at an internationally competitive level in a learning environment that is safe, nurturing, and engaging.

BOARD OF EDUCATION

MEMBERS

Top Row: Carlton Dallas (Chair), David Carr (Vice-Chair), Victor Ney (Secretary), Isaac Gordon III, Chloe Gordon
Bottom Row: William Smith, Col. Richard Geier, Alphonso Small Jr., Ingrid Boatright, Elizabeth Hey

MEETINGS

The Board leads, directs, and supervises the affairs of the District through policy development and accountability. The Board serves and is accountable to the community, primarily by ensuring that the District achieves the results described in the Board's Results Policies and that it operates according to the values expressed in the Board's Operational Expectations Policies.

Scan the QR code to access the Board's page of the BCSD website for more information

GOVERNANCE

The Board of Education convenes on the first and third Tuesday of each month. Meeting dates are set and approved in December annually, with the possibility of additional special called meetings.

The first Tuesday meeting takes place at the district office's media center (2900 Mink Point Blvd, Beaufort), while the third Tuesday meeting is held at Hilton Head Island Middle School in the media center (55 Wilborn Rd, Hilton Head). Public meetings commence at 6 p.m.

For those unable to attend, the County Channel offers live streams of Board meetings.

Meeting agendas are posted on the district's website 24 hours in advance as required by state law and are accessible through the Calendar section of the site. Approved minutes and voting records are available on the district website's Board meetings section.

To access past meeting agendas and related documents, visit the Community website (formerly BoardDocs).

FY 2024-2025 EXPENDITURES

73.2% of BCSD's Budget is spent on Instructional Services and Support.

Instructional Services & Support	73.2%
District Support (incl. School Board)	8%
Transportation	2.6%
Academy for Career Excellence	0.7%
Charter School	2.8%
Food Service	(< 0.03%)
Utilities	2.8%
Facilities Maintenance	7.3%
Technology	2.5%

Class of 2025 (1,566 graduates) accomplishments:

$35,179,567 in scholarships

389 Honors Seal of Distinction

407 STEM Diplomas

153 Seals of Biliteracy

35 IB Diplomas

SOUTH CAROLINA SCHOOL REPORT CARD

The South Carolina Report Card measures progress of schools toward the goals of the Profile of the South Carolina Graduate. These goals include Academic Success, Preparing for Success, Multi-Lingual Learner Growth, School Climate, Graduation Rate, and producing graduates that are College and/or Career Ready.

The School Report Cards, which are based on South Carolina's education accountability system, are required for all elementary, middle, and high schools which receive overall ratings based on a 100-point scale. The ratings follow terms outlined in state law: Excellent, Good, Average, Below Average, and Unsatisfactory.

EXCELLENT RATED SCHOOLS

An Excellent rating is defined as school performance that **substantially exceeds** the criteria to ensure all students meet the Profile of a South Carolina Graduate.

Bluffton Elementary School – Home of the Wildcats
Lady's Island Elementary – An Arts-Infused School
Okatie Elementary School – Home of the Owls
Port Royal Elementary – Est. 1911 – Destination Excellence
Red Cedar Elementary School – Home of the Red Foxes
RCS
Bluffton High School – Home of the Bobcats

GOOD RATED SCHOOLS

A Good rating is defined as school performance that **exceeds** the criteria to ensure all students meet the Profile of the South Carolina Graduate.

Beaufort Elementary School – Sailing into Success
Coosa Elementary School – Home of the Bobcats
Hilton Head Island Elementary
Mossy Oaks Elementary – An Arts-Focused School
Pritchardville Elementary School – Home of the Sea Turtles
River Ridge Academy – Home of the Raiders
Bluffton Middle School – Home of the Mustangs
Hilton Head Island High School – Home of the Seahawks
May River High School – Sharks
Whale Branch Early College High School – Warriors

The Beaufort County School District's 2024–2029 Strategic Plan was developed through meaningful input from educators, families, students, and community stakeholders. Their collective voices shaped a shared vision grounded in four foundational pillars: Support, Engagement, Achievement, and Stewardship. Together, these pillars guide the district's commitment to student success and continuous improvement. Anchored in stakeholder input, the strategic plan serves as a roadmap for advancing excellence across the district over the next five years.

SUPPORT

Nurturing a positive and supportive environment.

Strategic Initiatives:

- 1.1 Student Readiness/Early Childhood
- 1.2 Teacher and Administrator Quality
- 1.3 Ensure a safe environment across the district
- 1.4 Develop and implement rigor in selection and hiring processes that effectively identify and screen for high-quality, skilled applicants
- 1.5 Multi-Tiered Systems of Support

ENGAGEMENT

Unlocking Success through Teamwork and Collaboration

Strategic Initiatives:

- 2.1 Build a district-wide safe and supportive environment
- 2.2 Align new and existing community and parent partnerships (Parent and Community Outreach)
- 2.3 Ensure staff, families, students and the community have timely access to information and engagement opportunities

ACHIEVEMENT

Impactful instruction for all students.

Strategic Initiatives:

- 3.1 Implementation of an Instructional Framework to increase academic achievement of all students
- 3.2 Provide academic programming customized to the individual strengths, needs, interest, and aspirations of each learner
- 3.3 Career Readiness
- 3.4 Academic Arts
- 3.5 Develop the capacity to deliver effective instruction across content areas

STEWARDSHIP

Careful and Responsible Management of Resources and Investments.

Strategic Initiatives:

- 4.1 Safe and Properly Maintained Facilities
- 4.2 Alignment of resource allocations to address staff and student needs.
- 4.3 Technology
- 4.4 Implement rigorous project management structures, protocols, and processes.

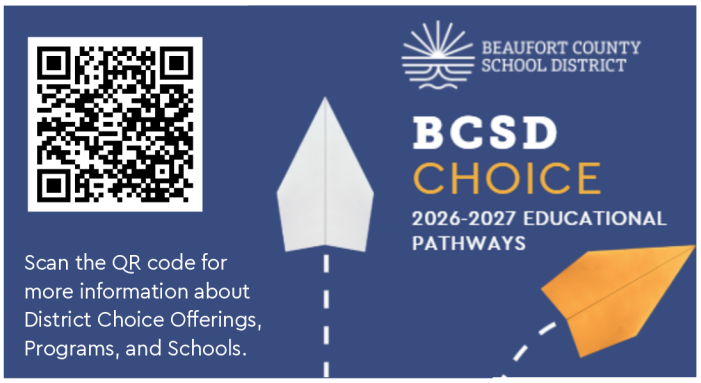

TEACHING AND LEARNING

ACADEMICS PROGRAMS AND SCHOOL CHOICE

At BCSD, we know that not all students learn in the same way. Because of this, we give our families a voice and an opportunity to find a learning environment that best suits their student's individual needs. We are able to do this through offering school choice options, which make our programs accessible to all students in the district.

Along with our excellent neighborhood schools, BCSD offers Montessori programs, Early College options, Advanced Placement, Cambridge Academy, Arts Programs, and International Baccalaureate programs. Additionally, we offer an academy program – The MedTech7 Magnet program - in seven district schools. This program features a specialized, theme-based curriculum that prepares students for a future in either the medical or technology field.

WELCOME CENTER

Our Welcome Center simplifies the identification of the appropriate academic instruction for Multilingual Learners according to federal and state laws, Beaufort County School Board policies, and the BCSD's mission and vision. The Welcome Center ensures that all students are given equal access to all educational services necessary to meet their academic success goals as quickly as possible. BCSD welcomes all student enrollment.

MULTILINGUAL LEARNERS (ML)

The Multilingual Learners Program (MLP) prepares students for academic success. Beaufort County School District has a team of educators who work with families to identify and assess students whose native or home language is not English. Once students have been assessed, we continue to monitor their academic progress as part of an ongoing process. Beaufort County School District dedicates its resources and energy to providing a quality education for all students. Students with a heritage or homelanguage other than English have equal access to all district programs and services regardless of whether the family is a permanent resident, new to our country, or new to our district.

21.9% of our students are ML learners. There are over 30 languages spoken in the homes of BCSD students. The top 5 languages the district serves are:

PRE K/EARLY CHILDHOOD

The Office of Early Childhood Education strives to provide a comprehensive, community-based approach to school readiness in Beaufort County through quality early childhood education, family literacy, and parent education. Through collaborative partnerships with several community family support agencies and childcare providers, the district focuses to improve the lives of preschool age children so that they can take full advantage of educational opportunities. Early childhood programs and initiatives improve the effectiveness of parents as the primary teachers of their children, promote and encourage language, intellectual growth, and physical social-emotional skills.

DATA POINTS

The Traveling Preschool Bus made 82 visits, serving 943 children and 734 families

The Parents As Teachers Program served 106 families and 144 children

BCSD's Child Find Program offered developmental screening to 1,104 children (ages: 3-5)

TRAVELING PRESCHOOL BUS

The traveling preschool bus is a collaborative outreach program funded by Title I and Together for Beaufort providing early childhood learning centers and parent education services to rural areas which are currently underserved. Opportunities are provided for children and their parents, Pre-K teachers, and local area caregivers to enjoy special monthly activities, distribution of free books, lesson plans, parenting materials, and more. Sites include a number of churches, housing projects, area child care centers, area elementary schools, Head Start, Neighborhood Outreach Connection (NOC), KidFest, and more.

The BCSD Parents as Educators program earned the Blue Ribbon Affiliate status in 2025.

parents as teachers
BLUE RIBBON AFFILIATE

Linda Freeman was named the 2024 SC Parent Educator of the Year.

TEACHING AND LEARNING

BCSD/TCL TIDES

Beaufort County School District (BCSD) and Technical College of the Lowcountry (TCL) are continuing their expanded academic partnership to increase learning opportunities for students within Beaufort County School District.

This dual enrollment partnership will enable qualified BCSD rising ninth grade students to enroll in a full-time dual enrollment cohort at TCL's New River Campus or Beaufort Mather Campus. Each cohort will consist of a minimum of 20 students who will experience college-level degree seeking courses as high school students, taught by TCL instructors.

BEAUFORT MEMORIAL PATH PROGRAM

In January 2025, Beaufort Memorial and the Beaufort County School District (BCSD) partnered to offer an opportunity for high school seniors who are enrolled in a Health Sciences completer program to participate in the hospital's PATH program (People Achieving Their Highest) tuition-free.

2025 graduates of the Beaufort Memorial Hospital PATH program.

Beaufort Memorial HOSPITAL

ADULT EDUCATION

Adult Education offers programs to adults in the community to earn their GED and High School Diploma (HSD), and gain further knowledge to help them advance in the work force.

GED and HSD classes are also offered online, with free access to websites such as Essential Education, Burlington English and Best Plus Software (for ESL students), Aztec Software, and the NorthStar Digital Literacy Program. Adult Ed is also a Pearson Vue-Authorized Test Center.

During the 2024-25 academic year, 94 graduates received a High School Equivalency Diploma (GED) or a High School Diploma.

MAGNET PROGRAMS

CHANGEMAKERS is a K-12 magnet program (Hilton Head Island based) offering globally focused, inquiry-based education. The multi-disciplinary approach emphasizes cultural awareness, digital literacy, and global citizenship.

CHANGEMAKERS
HILTON HEAD ISLAND SCHOOLS

MedTech7 provides K-12 students with specialized learning opportunities in medical and technology fields. Through theme-based courses of study, students develop the knowledge and skills needed to pursue post-secondary education and careers in their chosen field, preparing students for high-demand industries while fostering academic excellence and career readiness.

BEAUFORT COUNTY SCHOOL DISTRICT
MEDTECH7
MAGNET SCHOOLS ASSISTANCE PROGRAM

CAREER & TECHNICAL EDUCATION

Career and Technical Education serves students in grades 6-12 through state-approved course offerings leading to career concentrations, work-based learning opportunities, and/or industry credentials. Whether planning to attend a four-year university, a technical college, or being prepared to enter the workplace, CTE courses and pathways can help students graduate college and career ready.

BCSD's goal is for CTE students to graduate with a diploma PLUS experiences which help make a more effective workforce transition after high school graduation. Experiences include:

- Leadership opportunities in Career Technical Student Organizations through competitive events and regional and state offices;
- Skill development through Industry Certifications;
- WIN/Work Keys Proficiency;
- Business experience through Work-Based Learning/Internships/Capstone Classes; and
- Early college credits through Dual Credit/ Dual Enrollment.

Barbering, construction, cosmetology, and nail tech appointments

Boat or vehicle repairs appointments

BEAUFORT-JASPER ACADEMY FOR CAREER EXCELLENCE (ACE)

The Academy for Career Excellence, a 2024 Palmetto's Finest school, prepares high school students to become qualified workforce members by offering Career and Technical Education (CTE) programs leading to industry certifications, technical skills attainment, and soft skills training necessary to support current regional and national business needs.

Programs offered at ACE include:

- Culinary Arts
- Health Sciences
- Law Enforcement
- Marine Technology
- Welding
- Automotive Technology
- Barbering & Cosmetology
- Construction & Electrical
- Emergency Medical Services

WORKFORCE EXCELLENCE

FINANCE AWARDS

Over the past 20+ years, BCSD has never received a negative finding in any of its annual independent audits. In addition, the District's finance staff has earned a national award for excellence from the Government Finance Officers Association for 30 consecutive years. Beaufort County School District continues to maintain an Aa1 credit rating from Moody's Investors Service. This outstanding rating allows the district and taxpayers the benefit of low interest rates on school bonds.

YOU MATTER AT BCSD

BCSD provides staff with quality mental healthcare accessed remotely in partnership with HelloHero. HelloHero is a HIPAA-compliant platform employing licensed mental health professionals dedicated to serving BCSD staff members. The district provides reduced cost childcare.

#YouMatterBCSD

SAFETY AND SECURITY

One of our top priorities as a school district is the safety and well-being of our students and staff. Beaufort County School Districts' highly-trained safety team works collaboratively with school staff, community partners, and local law enforcement to provide a safe learning environment for our 21,000+ students in every classroom, every day.

BCSD has Security Resource Officers (SROs) at all middle and high schools. As the state continues to fund two SROs per year, BCSD plans to add them to elementary schools. In the meantime, BCSD has armed security guards at all elementary schools.

The District Crisis Prevention Team conducted, coordinated, and participated in over 127 crisis prevention trainings with District and School Crisis Team members, faculty, staff, students, community partners, and First Responders to ensure all parties are collaboratively trained for multiple scenarios in order to provide effective protection and care to BCSD students, staff, visitors, and facilities during emergencies.

In December 2025, BCSD launched a new safety initiative to enhance security across all campuses. Informed by district research on safety systems and best practices, high schools began using district-approved weapons detection devices to screen individuals entering our buildings.

2024-2025 Employee Recognition

Alice Walton, Chief HR Officer
SC Association of School Administrators (SCASA) 2025 Lifetime Achievement Award Recipient

District Teacher of the Year

Isabella Smith, WBECHS
Induction Teacher of the Year

Jessica Stone, BCHS
District School Counselor of the Year

FACILITIES PLANNING

May River Elementary School rendering

Lady's Island Middle School rendering

The goals of the 2023 BCSD Bond Referendum are to address academic needs, improve school safety, and address population growth through the addition, rebuilding, and replacing of aging facilities and the expansion of Career and Technical Education (CTE) spaces to address academic needs. The CPRC 2.0 (Community Project Review Committee) members dedicated over 900 hours visiting schools and consulting with experts to create a prioritized district-wide projects list.

The $439 million investment will continue the work initiated by the 2019 referendum, allowing us to address crucial needs without requiring a tax increase.

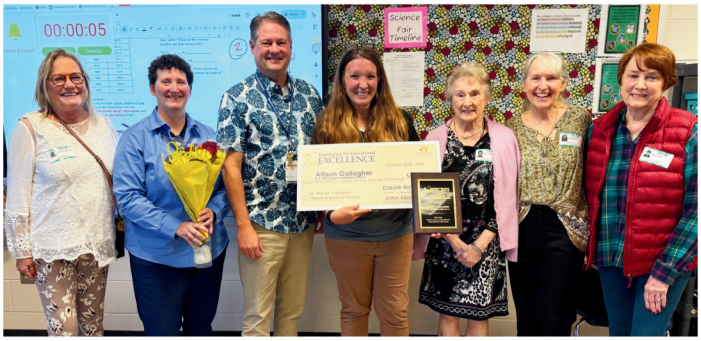

REFERENDUM PROJECTS

- School safety and security enhancements
- Rebuild of Hilton Head Island High School
- Replacement of Lady's Island Middle School
- New Pre-K-5 elementary school in Bluffton
- Gymnasium for Riverview Charter School
- Career and technical education renovations and additions
- Technology warehouse imaging center
- HVAC replacements
- Furniture
- Parking lots/drives/sidewalks
- New early childhood center
- Kitchen at Right Choices

FOUNDATION FOR EDUCATIONAL EXCELLENCE

The Foundation for Educational Excellence was established by the Beaufort County School District in 2007 to fund Innovative Teacher Grants that support student enrichment activities and projects that exceed regular school budgets. The Foundation for Educational Excellence awards Innovative Teacher grants (up to $750 per classroom) and School Resource grants (up to $4,000 for school wide potential use) once a year in the fall. Other special grants given throughout the year include: Student Enrichment grants, Above & Beyond Teacher of the Year Recognition grants, and Induction Teacher Grants.

Foundation for Educational EXCELLENCE

Lafayette Day

In March 2025, students from across the district helped to celebrate the bicentennial anniversary of Marquis de Lafayette arriving on the shores of Beaufort as part of his tour of the United States in 1824-1825. As part of the Lafayette Day celebration, elementary students participated in welcoming Lafayette to the shores of Beaufort at Waterfront Park and then in a parade procession through downtown to the Verdier House, also called the Lafayette House, where a historic marker was presented and placed by the state of South Carolina Historic Society. BHS French students held a booth representing the French language, and BHS Dance students performed period dances. Student artwork was displayed along Bay Street in celebration of the event. The historic celebrations continued with living history museum presentations for students from Beaufort Elementary, Mossy Oaks Elementary, Coosa Elementary, Robert Smalls Leadership Academy, Battery Creek High, Beaufort High, and Whale Branch Early College.

DISTRICT ACCOMPLISHMENTS

Beaufort County School District students, parents, employees, and community members continue to embark on academic recovery efforts to mitigate the effects of the pandemic on student achievement.

This is a challenge that districts across the state and nation face and that BCSD continued to address this past school year by aligning resources to students' instructional needs. During the 2024-25 school year, BCSD schools achieved:

South Carolina
Commission on Higher Education

Eighty-seven BCSD seniors were named recipients of the Palmetto Fellows Scholarship, a merit-based program that identifies South Carolina's most academically talented students and encourages them to attend colleges within the state.

Under the leadership of Superintendent Frank Rodriguez, student literacy test scores on the current state assessment are the highest in the district's history. Our success is a testament to the hard work and dedication of our students, parents, employees, and community members.

In 2025, BCSD continued its growth in the number of students earning the Seal of Biliteracy. BCSD has also been recognized for the second consecutive year as the fastest-growing biliteracy program in South Carolina. The bi-literacy assessment tested French, German, Russian and Spanish languages.

For more BCSD academic and athletic accomplishments north and south of the Broad please checkout the BCSD Beacon.

DISTRICT ACCOMPLISHMENTS

Beaufort County School District (BCSD) and Technical College of the Lowcountry (TCL) are continuing their expanded academic partnership to increase learning opportunities for students within Beaufort County School District.
This dual enrollment partnership will enable qualified BCSD rising ninth grade students to enroll in a full-time dual enrollment cohort at TCL's New River Campus or Beaufort Mather Campus. Each cohort will consist of a minimum of 20 students who will experience college-level degree seeking courses as high school students, taught by TCL instructors.

The Coastal Community Foundation has awarded a $2,304,000 Catalyst Grant to Beaufort County School District, the largest Catalyst Grant yet. The funding will be distributed over five years to support a transformational extended learning program for the local community. The grant to Beaufort County School District will accelerate the impact of the UNITE (Uniting Neighbors for Instructional Effectiveness and Trust in Education) program.

Lady's Island Elementary School has received two accomplishments that affirm its commitment to student-centered, whole-child education: recertification as an Arts in Basic Curriculum (ABC) Certified School by the South Carolina Arts Commission and designation as a Leader in Me Lighthouse School by FranklinCovey Education. These honors reflect the school's guiding vision of Leadership Through the Arts—a belief that creativity and leadership development go hand in hand to empower every student.

Superintendent Dr. Frank Rodriguez was named 2025 South Carolina Superintendent of the Year by the South Carolina Association of School Administrators (SCASA), which is a testament to all our dedicated educators, administrators, and employees. He was also named the 2025 South Carolina Athletic Administrators Association (SCAAA) Superintendent of the Year (Class 5A/4A).

ACADEMICS & ARTS

Our district-wide choice program frees students from a one-size-fits-all learning model by offering them a customized program suited to their talents and interests. This learning model builds confidence, helps students increase their knowledge and skills, and puts them on a course for success in school and in life.

ATHLETICS

Superintendent Frank Rodriguez was named the South Carolina High School League Superintendent of the Year. BCSD athletics continue to excel at the highest levels, with student-athletes earning state championships, All-State honors, and deep playoff runs across multiple sports—reflecting the district's commitment to excellence both on the field and in the classroom.

PARTNERS IN EDUCATION

BEAUFORT COUNTY SCHOOL DISTRICT

At Beaufort County School District, we know it takes more than teachers alone to help students succeed; it takes all of us. Nowhere is that more evident than right here in our community, rich in history, culture, and tradition. Our community has always drawn its strength from the people who call it home, and that strength continues to grow as neighbors bring their experiences in military service, business, education, the arts, and more.
