

Health Services Health Requirements Out of State Transfers

Ensure your child's school has received the following documents prior to their start date:

- Copy of current immunization record (*required by state law*)
- Asthma/Allergy Action Plan, Seizure Action Plan, diabetic orders, or other emergency care plans (if applicable)
- Health care provider order(s) for any medication and/or procedure needed during school hours, including g-tube feeding, prescription and non-prescription medications (cough drops, Tylenol, Ibuprofen), etc. (if applicable)

Return the following to your child's school within 60 days of enrollment:

- Copy of the physical/vision exam completed within the last 6 months (*required by state law*)

Additional Information:

- ✓ Take this checklist with you to the appointment. Ask the health care provider to make a copy of your child's physical/vision exam, immunization record, any emergency health care plans (as needed for life-threatening conditions), and any order for medications or procedures to be dispensed/completed at school.
- ✓ Bring copies of health information to school prior to your child's start date OR request records be sent from previous school/health care provider – Attention: School Nurse
- ✓ A dental exam is strongly encouraged at this time - please ask your child's dentist to send a brief note stating your child has been seen.

Resources:

Call for an appointment and bring your child's immunization history:

One World Community Health Center - Visit oneworldomaha.org or call 402-734-4110
