CA CTE Standard For Career Ready Practice #5 - Utilize critical thinking to make sense of problems and persevere in solving them

Description

Career-ready individuals recognize problems in the workplace, understand the nature of the problems, and devise effective plans to solve the problems. They thoughtfully investigate the root cause of a problem prior to introducing solutions. They carefully consider options to solve a problem and, once agreed upon, follow through to ensure the problem is resolved.

EARNING CRITERIA

Recipients must complete the earning criteria to earn this Badge

Objectives met:

- Informed of pertinent child development theories, jobs and certification requirements for entry-level positions in the K-12 setting.
- Reviewed local job openings, and identified descriptions, qualifications and requirements that align with interests on education job portal, Edjoin.
- Informed about the process to create a profile and upload documents to submit applications for positions.
- Practiced elevator pitch for volunteer opportunities within their network.
- Discussed responses to classroom-based scenarios for entry level support positions at school sites.
- Responded to interview questions for entry-level positions in the K-12 setting.

CA CTE Standard For Career Ready Practice #3 - Develop an education and career plan aligned with personal goals

Description

Career-ready individuals take personal ownership of their educational and career goals and manage their individual plan to attain these goals. They recognize the value of each step in the educational and experiential process, and they understand that nearly all career paths require ongoing education and experience to adapt to practices, procedures, and expectations of an ever-changing work environment. They seek counselors, mentors, and other experts to assist in the planning and execution of education and career plans.

EARNING CRITERIA

Recipients must complete the earning criteria to earn this Badge

Objectives met:

- Informed of the different types of jobs at Tekton Hospitality.
- Explored professional, industry-grade photos in marketing utilized to communicate information.
- Took a staged photo (s) of an object/product to represent a mock company brand.
- Edited the photo using the editing program, Photopea, employing tools to achieve a professional look.
- Applied marketing principles to create tag lines and posts that share stories about the company brand.
- Uploaded the photo to Wix or Adobe Spark featuring the tag line and the company brand.
