Internship Session Details

What is the overarching goal for the internship?

Present a problem-solving approach and methods for receiving, understanding, and solution-finding.

Career Practice that the internship most closely addresses.

Utilize critical thinking to make sense of problems and persevere in solving them.

Session Plan:

- Discuss types of issues typically arising in the workplace
- Describe how to receive and then categorize these issues
- Discuss how to proceed to troubleshoot and address
- Workshop solutions in Q&A

Independent Activity for Students:

- Analyze - real-life work-based scenario (experienced)
- Describe how to apply issue resolution principles and how outcome could have differed.

Best,
