Thank you for your recent application for MDCP's virtual micro-internship with Kranbox. We certainly appreciate your interest in our internship.

I want to inform you that you were not selected for this internship. It was a difficult decision because there were several strong candidates, including yourself. We want to keep your application on file should we have another internship opportunity like this one. If that occurs, we will give your application strong consideration.

Again, we thank you for your interest in MDCP's virtual micro-internship. We wish you continued success in all your endeavors.

Please feel free to contact me should you have any questions.
