

Good Morning,

Flagler Schools has partnered with DSC to provide DSC dual enrollment books. The instructions for ordering books can be found below along with some helpful pointers. **Please be sure to read the full email before ordering.**

Please know that while the majority of materials for DSC will be digital, we do have some physical books available at each of our high schools.

To secure textbooks for the Spring term, please follow the steps below:

1. Please review the DSC Book Inventory for the high school at which you are enrolled ([Flagler Palm Coast HS](#) or [Matanzas HS](#)) to see if any physical copies of the books are part of the school inventory.
 - If you see a book that you need is on the list for the high school at which you are enrolled, please contact the school
 - For FPC, contact Ms. Cox (coxn@flaglerschools.com) and Ms. Sterzer (sterzere@flaglerschools.com) directly
 - For MHS, contact Ms. McQueen (mcqueenk@flaglerschools.com) directly
 - If they have the book in inventory, they will arrange for you to pick it up. If the book is out of stock, you will need to request it with all other materials through the process outlined below.
2. Students will need to follow the detailed instructions found on the attached document provided by DSC.
 1. Students will need their DSC ID Number and their DSC email in order to complete this process
 2. If you are having trouble finding your class on the DSC site to select books, please check that you have selected the correct campus. If the wrong campus is selected, you will not see that class and won't be able to grab the books.
 3. See the additional Information to Assist you When Ordering Books below
3. **Students must order their DSC books for the Spring Term from the bookstore by February 16, 2026.** *You are encouraged to order for both Full Spring, Term A, and Term B during this window.*
4. At the end of the term, students will be required to return all books to Flagler Palm Coast High School or Matanzas High School (please return to the HS at which you are enrolled). Single access codes do not need to be returned.
5. If you drop a class, you will need to return the book or even the digital codes. It is the responsibility of the student to return these books within the allotted time frame.
 - You have 14 days to return the book to the bookstore
 - If you received a digital code and you drop the class, in order to return the digital code, you will need to email the DSC bookstore directly at SM8566@bncollege.com. The digital code must not have been used.

Additional Information to Assist you When Ordering Books

1. If you are having issues with the DSC site to get books or have any questions once you've obtained books, please contact the DSC bookstore directly at SM8566@bncollege.com
2. Chrome is the optimal browser for the Daytona BN College Bookstore, so please try to use Chrome whenever possible.
3. If the Daytona BN College website appears to be down, please try to clear your cache and cookies and then try again.
4. Step 13 of the instructions attached below. Students should **NOT** enter a credit card number or try to pay for their own books. If you purchase any books on your own, **the district cannot reimburse**

you. If you run into any issues with ordering books, please contact the DSC bookstore directly at SM8566@bncollege.com.

Step 13. Payment screen:

- Choose **“Financial Aid.”**
- Scroll down and check the box for **“Internal Provider.”**
- Enter your **DSC Student ID number.**
- Click **“Apply SFA Funds.”**

Please keep in mind that most publishers offer a free trial period for courseware. You can ask your instructor for help if you need temporary access. If you have any issues with access codes, the DSC bookstore can support you by contacting:
