SCHOOL IMPROVEMENT GOALS

ELA 2025: Lakeview Elementary students in grades 3 through 6 will demonstrate an improvement in ELA proficiency, as measured by the WYTOPP assessment, from 39.7% to 49.7%. Teacher teams will increase the quality and consistency of Tier I instruction by deconstructing essential standards to identify clear learning targets, developing and reviewing common formative assessments (CFAs), analyzing CFA data to plan targeted intervention and extension, and making instructional adjustments to better meet student needs.

ELA 2024: By the conclusion of the 2024-2025 academic year, Lakeview students in grades 3 through 6 will demonstrate an improvement in ELA proficiency, as measured by the WYTOPP assessment, in comparison to the 2023-2024 school year. Lakeview Elementary will continue our building wide focus on increasing quality Tier 1 core instruction. To increase student growth and achievement, a school wide PLC process will be implemented with fidelity. Teacher teams will analyze standards to form units, develop goals based on data and CFAs to guide instruction and develop intervention and extension opportunities for students. Teacher teams will develop quality Tier I instruction by deconstructing standards, looking at essential standards and learning targets, developing and reviewing CFAs, and analyzing CFA data to create intervention and extension plans, and also to adapt Tier I instruction.

ELA 2023: By the end of the 2023-2024 school year, according to the WYTOPP assessment, Lakeview 3rd-6th grade students will meet or exceed the State average in ELA. Lakeview Elementary will continue our building wide focus on increasing quality Tier 1 core instruction and data-driven interventions. We will promote early intervention at the primary level using Reading Recovery and Title Interventionists.

MATH 2025: Lakeview Elementary students in grades 3 through 6 will demonstrate an improvement in Math proficiency, as measured by the WYTOPP assessment, from 46.0% to 56.0%. Teacher teams will increase the quality and consistency of Tier I instruction by deconstructing essential standards to identify clear learning targets, developing and reviewing common formative assessments (CFAs), analyzing CFA data to plan targeted intervention and extension, and making instructional adjustments to better meet student needs.

MATH 2024: By the conclusion of the 2024-2025 academic year, Lakeview students in grades 3 through 6 will demonstrate an improvement in Math proficiency, as measured by the WYTOPP assessment, in comparison to the 2023-2024 school year.

Science 2023: By the end of the 2023-2024 school year, according to the WYTOPP assessment, Lakeview 4th grade students will meet or exceed the State average in Science. Lakeview Elementary will continue our building wide focus on increasing quality Tier 1 core instruction utilizing Panorama as a resource to increase scientific literacy.

WELL-BEING 2025: By the end of the 2025–2026 school year, Lakeview staff will implement and reinforce Tier I behavioral expectations consistently across all settings and actively use team-based protocols to address incidents of negative behavior. In addition to activities and strategies implemented last year, evidence of implementation will include documented character lesson schedules and fidelity checks, behavior team meeting agendas and data review notes, and decreased behavioral referrals and bullying reports.

WELL-BEING 2024: We are continuously building a positive culture to increase the staff community and to encourage students to become well-rounded citizens.

- To increase prosocial behaviors that directly impact student achievement, a school wide behavioral leadership process will be implemented with fidelity. Strategies from the book “The Classroom Behavior Manual” will be used by individual teachers within their classrooms and in all common areas. Schoolwide strategies include ESPN Greetings, ESPN Goodbyes, and Class of the Day.
- Lakeview Elementary utilizes TIGERS characteristics to promote community and positive whole-school culture. Students and staff are part of a DEN (Tenacity, Integrity, Grace, Endurance, Responsibility, Strength) where time is spent building relationships and creating positive bonds.
- Lakeview Elementary teachers have implemented Character Strong Tier 1 lessons in their classrooms weekly. The school social worker has implemented Character Strong Tier 2 lessons with individual student groups.
- Lakeview Elementary has an established HOPE (Hold On, Persuade, Empower) squad led by our school social worker. This nominated group of students help support other students’ health and well being.
- Lakeview Elementary continued with Girls on the Run this year.

WELL-BEING 2023: We are continuously building our community and culture to encourage students to become well-rounded citizens.

- Lakeview Elementary has established a PBIS (Positive Behavior Interventions and Supports) focus throughout the school. PBIS continually seeks to reduce or eliminate negative behaviors by recognizing positive behaviors.
- Lakeview Elementary created a Den System and TIGERS characteristics this year to promote community and positive whole-school culture. Students and staff are part of a DEN (Tenacity, Integrity, Grace, Endurance, Responsibility, Strength) where time is spent building relationships and creating positive bonds.
