

**Region 10 Board of Education  
Curriculum Committee Minutes  
Tuesday, March 17, 2026  
4:30 PM  
Central Office Conference Room**

Present: Scott Ragaglia (Co-Chair), Rachel McFadden (Co-Chair), Matt Szydlo, Cassandra DuBois, Vonetta Romeo-Rivers (Director of Teaching & Learning), Absent: Scott Savelle

1. The meeting was called to order at 4:35 pm.
2. A motion was made to approve the minutes of our meeting held on January 20, 2026, as written by Matt Szydlo and seconded by Rachel McFadden, approved unanimously.
3. A informative discussion took place with Vonetta Romeo-Rivers (Director of Teaching & Learning) updating the committee and outlining the Professional Learning Schedule for Region 10 Teachers. To start the 2025/2026 R10 School year, two full days of focused learning and development occurred plus an additional ½ a day on the afternoon of the first day of school which is only a ½ day of school for students.  
  
In Total there is (5) Full days of Teacher Development and (6) 1/2 session. There is 1 day where Teachers can choose their own development topic.
4. Vonetta Romeo-Rivers also provided an update of a program that she feels provides great value, it is called “Count it Out” and math focused. Because of unforeseen circumstances there was a problem with the October 2025 viewing of it, however it is being rescheduled for this year. The committee is interested in viewing the program.
5. Topics for our next Curriculum Meeting: We will be cancelling the April 2026 meeting as no topics were identified.
6. A motion to Adjourn was made by Cassandra DuBois and seconded by Rachel McFadden at 5:18 pm.
