August 2024

Dear Parent/Guardian;

As we prepare for the new school year, we want to take a moment to remind all parents and guardians about the importance of our school uniform policy. Adherence to the uniform policy is mandatory for all students, as it plays a crucial role in maintaining a focused and equitable learning environment. All students attending Hawthorne School District schools are required to wear the established uniform on a daily basis. Listed below is the information related to each school's uniform policy.

Parents/guardians may request a waiver through the principal at their child's school. Although a waiver will exempt the student from wearing a uniform, it still requires the student to follow the District's Dress Code Policy. Copies of the policy can be found in the Rights and Responsibilities booklet or school office.

In addition, families indicating a financial need may request assistance in obtaining school uniforms through their child's school office. If the criteria have been met, a uniform will be provided to the student at no charge to the family.

If you have any questions or concerns, you may contact your child's school office or our district office.

Respectfully,

Rudy Salas
Director of Pupil Services
