The Top Ten at Region 10!

Each month, we will highlight Ten Great Things Happening in our Learning Community. We know there are so many, many more great things going on in our schools, every day, and here are some highlights! If you have an idea, questions or a picture for an upcoming edition, please email me at thompsonf@region10ct.org

Superintendent's Corner:

As we spring into March (sorry, can't help myself), I hope you are adjusting to daylight savings time, weather changes, and the luck of the Irish! In addition to the excitement of a new season, our learning continues to blossom (see what I did there) in all of our schools! As you can see in this month's edition of the Top Ten, our students are amazing in every way!

I want to also invite you to visit our [Budget Central page](#) found on our website (there is a link on the Region 10 Homepage) for updates.

If you have any questions about this or anything Region 10 related, please reach out anytime. Thank you for your support of every student, every day!
