

District Applicants: All students in Canutillo ISD are welcome to apply to Canutillo PTECH program. Canutillo PTECH accepts all in-district students who have the desire, drive, and potential to be successful in our program. If more than 30 student applications are received, students are chosen based on a lottery system.

Out-of-District Applicants: Canutillo PTECH program has space for 30 students in each cohort. Once all in-district applicants have been accepted and registered, out-of-district applicants are notified. All Applicants Canutillo PTECH program is a Canutillo school of choice, students must be able to meet the general demands and rigor of the advanced coursework to be enrolled in the program.
