Cadet Program Objective

The Canutillo Criminal Justice Program is initiating a partnership with our local law enforcement cadet program's to better serve the communities our students will be serving.

Students wishing to be part of any of the above cadet programs will attend meetings, trainings, and other criminal justice related activities by reporting to their assigned officer on a scheduled rotation. These activities will be conducted after school and, or during weekends. If a field trip is scheduled during school time, the instructors at CHS will notify school administration and initiate a parent permission slip.

Four blue curved lines of varying lengths and orientations, arranged in a cluster in the bottom right corner of the slide.

A large orange circle is positioned on the left side of the slide, partially cut off by the edge.

Student Expectations

Students committing to the cadet program must be enrolled in the cadet program until the end of their senior year. Once the student chooses a cadet program based on availability, the student will not be allowed to change from one cadet program to another.

A large orange circle is positioned on the left side of the slide, partially cut off by the edge.

Instructor Responsibility

An active roster for cadet attendance will exist between the cadet instructors and the criminal justice instructors at Canutillo High School. The criminal justice instructors will have ongoing communication with the cadet instructors to assure the students are following the cadet program protocol.

A series of blue dashed lines are located in the bottom right corner of the slide, forming a curved, upward-pointing shape.

A large orange circle is positioned on the left side of the slide, partially cut off by the edge.

Ongoing Academics

Students in the cadet program will continue to receive their criminal justice academic instruction during school hours. The academics taught in school will work hand-in-hand with the cadets training.

A series of four blue curved line segments are arranged in a dashed, upward-curving path in the bottom right corner of the slide.

A large orange circle is positioned on the left side of the slide, partially cut off by the edge.

Cont.

Students will wear their cadet uniform to school twice a week and during special school events. The students will receive a grade.

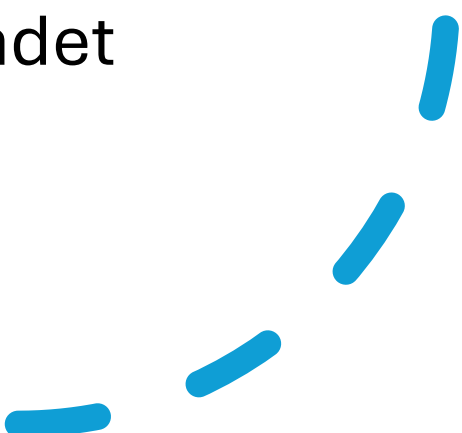

During school time, students will be held accountable for discipline issues that may occur throughout the day to include any arrestable offenses, or illegal activities including weekends and intersession periods.

A blue dashed line is located in the bottom right corner of the slide, consisting of several short, curved segments.

A large orange circle is positioned on the left side of the slide, partially cut off by the edge.

Program Benefit

The benefit of participating in the cadet program will enable the students to have a better understanding on day-to-day field operations, telecommunications process, the importance of professional appearance and demeanor, better time management, and overall academic improvement. The students will also have access to the C.A.P.S building on scheduled cadet training.

Long Term Goal

Employment options in criminal justice.

1. The students will be taught a portion of correctional academics in preparation for applying for the El Paso Detention Facility. Hiring age is 18.
2. The students will be taught a portion of federal law in preparation for applying for the U.S Border Patrol. Hiring age is 18.
3. The students will be taught El Paso Police codes and signals in preparation for a 911 telecommunications internship leading to a hireable position after high school graduation. Hiring age is 18.

4. Seniors will continue to receive a Texas Online Private Security level II state certification, which will allow the student to seek employment in the private security industry. Hiring age is 18.

5. P-Tech students (Pathway in Technology) and dual credit Criminal Justice students will give our students a head start into achieving their college degree goals after high school graduation.

6. Military recruitment: Under College, Career and Military Readiness (CCMR), recruiters are invited into our classrooms who provide valuable information to our students wishing to enlist. Hiring age is 17 with parent consent.
